

Resolutions adopted at the DC Meeting held on 11 October 2014:

1. Gautam Chando Roy to change his SAP proposal from focus on women's education to primary and secondary education in the districts of Medinipur, Bankura, and Purulia, with special reference to girls, tribals, and Muslims.
2. The SAP proposal to include only the districts of undivided Medinipur, Bankura, and Purulia, the justification being that Visva Bharati and the University of Burdwan History Departments have focused on their respective districts, and that the catchment area of Vidyasagar University are the three above-mentioned districts.
3. The SAP proposal to include early modern periods, extended to beyond 1947.
4. Another informal meeting be held the following Tuesday to review the progress of the formulation of the SAP proposal.
