Proceedings of the meeting

Agenda I

The H.O.D. took the chair and read out proceedings of the last D/C meeting held in the department on 4/6/14. The same was confirmed by the House unanimously.

Agenda - II

Considered the letter of Prof. Tarun Kumar Bannerji forwarded to the department by the Hon'ble Vice-Chancellor.

At the outset, the department expresses its sense of appreciation at the appointment of Prof. Tarun Kumar Banerji, formerly of the department of political science, as ICSSR National Fellow.

After careful consideration of the proposal together with the present status, requirements and functioning of the department, the house unanimously resolves to communicate the following observations for taking appropriate decisions by the University authority:

1. The department at the request of the honorable Vice-Chancellor has already allotted one room for making sitting arrangement of Prof. Tarun Kumar Bannerji with necessary furnitures. The room is currently being used by him. There are two spare almirahs in the department which may be used by him if he desires. It may also be noted that, the room occupied has been allotted for his individual use specifically and not for the Gandhian studies centre. Moreover, at present the locustandi of the Gandhian studies centre is not known to the department;
2. There is no further room which can be spared for his use in addition to the one already occupied by him. A small cubicle vacated by NSS office has been officially allotted for the use of the departmental library. So that room cannot be spared for personal use of an individual faculty jeopardizing academic interests of the students;
3. The department is already having constrained with space in view of simultaneously running additional programmes like M. Phil. Programme, Human Rights Course and the Ph.D. course work besides conducting regular P.G. programme;
4. Under such circumstances, the department regrets its inability to allot any further room for Prof. Tarun Kumar Banerji in the department. However, the University authority may please make arrangements of additional rooms for Prof. Tarun Kumar Banerji in other wings, if required.

Agenda - III

There being no other agenda, the meeting ended with a vote of thanks to the chair.
