Resolutions of the PhD Committee meeting held on December 01, 2014 regarding PhD Pre-submission Seminar relating to the thesis entitled: "Simple but accurate formalism for investigation on propagation parameters of first higher order modal field in optical fibers and associated fiber optic devices".

A meeting of the PhD committee (Electronics) has been held on December 01, 2014 in the department of Electronics, Vidyasagar University (VU). at 12.00 noon to conduct the PhD Pre-submission Seminar of Ashima Bose, a PhD scholar of the department of Electronics, VU.

Ashima Bose presented her PhD Pre-submission seminar in presence of the experts and the others. The experts of PhD committee, Electronics, VU also examined the PhD Pre-submission 5000 words report. The presentation as well as the written 5000 words report both have been critically and widely discussed to full satisfaction of the members present in the seminar. Accordingly, we the undersigned, recommend Ms. Ashima Bose to submit her PhD thesis for necessary evaluation as per existing norms of Vidyasagar University.

There was no other matter to discuss.
