Resolution:

1) The departmental committee has unanimously decided that internal faculty members of the department would be allotted more classes as per honorable vice-chancellor sir's suggestion.

2) It is also resolved that there is a urgent requirement for expert external teachers as well as faculty members of other departments of our university to cover few parts of the syllabus. Considering the present situation the D.C. has decided that our honorable vice chancellor sir would ^{be} have ^{been} requested to allot few classes (only 10% of the total class) for the guest teachers with having experience and in-depth knowledge on those parts of the syllabus until the the fresh recruitment of faculty is done.

3) Since the classes of 1st and 3rd semester have been started in full swing, the HOD is requested to look after the matter seriously.
