Resolution against item (based on the letter received from VC office (Ref. No. VC/4589/2018) asking nomination letter for Prof J C Misra) is as follows:

Prof Misra is not associated to our department for around last 10 years, only he came for a project student selection interview in last June 2016. DC members have doubt on his contribution how much he would be able to do so to our department. But no doubt we will be privileged to have a chair professor associated to our department. Therefore Prof. Misra may be nominated for the said professorship.
