			MTM-405 (OM Practical) (Unit-2)	25	SM+KB

3. National Mathematics Day celebration will be celebrated on 24th December 2018 and Prof. D K Ganguly will be the guest.
4. Regarding the Meteorological Park:
As per the direction of our Hon'able VC, we agree to continue the data collection from the Meteorological Park temporarily with the help of our Research Scholars. Since a committee has been formed to look after the park for smooth running, it would be better to call a meeting among members of the committee as soon as possible to get their valuable suggestion to improve the park. Further, the committee has decided to install an Autologer, etc, so a computer expert is required to upload the data at the university website and other computer related works. Therefore It would be better if information scientist is included in the team made for the park as a member of this team.
5. Board Displaying name of Ph.D awarded students from our Department to be modified.
6. Some tools are needed in the laboratory to accommodate more students with the available computers.
7. MsIns : A picnic for all members of dept is arranged on 23rd January 2018 and KB will take care of this event.
