Resolution

- ① The proceedings of last meeting was confirmed.
- ② At present we are 4 faculty members. ~~are~~
Among them two are Senior Professors under whom on an average 8-10 research scholars

are actively working, ~~add~~ additionally at the
some time 14 special paper students are
working simultaneously for dissertation research.
For other two faculty members, there are also
having 1 special Research and dissertation
Students almost in similar proportion.

Besides 3 positions of our department ~~remain~~
have been advertised. Under such situation
we are facing severe crisis of space ~~in~~
to accommodate our research and practical
work. For that reason we are demanding
at least 6 research rooms for our faculty

rooms at a proportion of 400 sq ft each. At the
same time we are demanding separate laboratory
spaces for our special paper laboratories - and
classroom spaces (1 General - 50 students; 3 spl papn - 20 students each)

③ The following projects have been submitted for

Animal Ethical Clearance -

- a) "Molecular Analysis of Pathogenic potential
of Community Acquired Staphylococcus aureus
and assessment of Anti-biofilm potential
of *Barbarea lupulina* Lindl. leaf, stem and
root extracts on them" - Saroj Ballav
under Prof Chandradipa Ghosh.

b) "Potential Effects of Morinda citrifolia (Noni) on Nicotine induced Alterations of Cardiovascular system in Albino Rat" — Chaitali Kundu under Dr. Sandip Kr Sinha.

c) "A study on the Role of Soluble Dietary fiber on Nicotine Induced Cardiovascular Diseases" — Menalisa Pal under Dr Sandip Kr Sinha.
