**Resolutions of the Departmental Committee meeting (Ref. No.: VU/PG/Chem/157 dated 17.11.2015)**

**Agenda 1:** The applications of Dr. Prasenjit Saha for the position of DST inspire Faculty Fellow in the Dept. of Chemistry and Chemical Technology was thoroughly discussed in the DC meeting. As his specialisation and expertise does not fit in our academic curriculum/syllabus the DC unanimously resolved that he will not be suitable for such a position in the department.

**Agenda 2:** The note of the Hon'ble Vice Chancellor on the application of Prof. J. K. Ray was thoroughly discussed on the DC meeting dated 17.11.2015. It is unanimously resolved that the department will be happy to have him as a 'Visiting Professor' at the department. The matter was verbally discussed with Prof. J. K. Ray and he has given his verbal consent to accept the same.

**Agenda 3:** Regarding laboratory space, it was unanimously resolved that the computer lab at the old Chemistry wing be converted to the laboratory for 'Food Chemistry' and the room adjacent to the laboratory, opposite to the store room at the same wing will be the 'Computer Laboratory'. The last room at the right hand side at the first floor of the Chemistry wing at the 'Einstein Building' is the office of the Head of the Department.

**Agenda 4:** Regarding the selection of UGC fellows the DC unanimously resolved that the shortlisted candidates will be invited for a written test followed by interview. The candidates who are qualified the NET/GATE/SET examination are exempted from the written test as per the UGC XII<sup>th</sup> plan guideline.

**Agenda 5:** As the first floor of the Chemistry wing at the 'Einstein Building' is operative, the DC unanimously resolved that the University authority be requested for an urgent arrangement of internet connection in all the rooms of the said wing.
