Resolution of the Emergency DC meeting VU/PG/Chem/190 Dated 19.04.2018

Resolution:

1. A sum of Rs. 25 lakhs is available from the DST-FIST grant (ref. SR/FST/CSI-235/2011 (C) dated May 31, 2016, total sanction 269 lakhs) for procurement of the Liquid Nitrogen Plant. The E-tendering process for the procurement of the plant is under process. A sum of Rs. 12.5 lakhs is yet to be released from DST-FIST under maintenance and infrastructure head. But, in the mean time, considering the urgency of purchase of liquid Nitrogen and liquid Helium, we had to spend an approximate amount of Rs. 5.5 lakhs out of the sanctioned maintenance grant of Rs. 12.5 lakh (which is yet to be released). University Finance Department has released the fund from the available Rs. 25 lakhs. As a result, the release of purchase order of Liquid Nitrogen plant is pending (due to lack of funds).

DST-FIST has already sanctioned Rs. 212 lakhs for the next five years (ref. SR/FST/CS-I/2017/7 dated January 16, 2018, copy of letter enclosed). But they will release the fund subject to the submission of UC/SE & FTR for the previous sanction.

In the situation we request the authority for placing the purchase order of Liquid Nitrogen Plant and facilitating the release of grant under the newly sanctioned DST-FIST. Once the fund is released from DST-FIST, it will be adjusted accordingly.
