9. Miscellaneous:

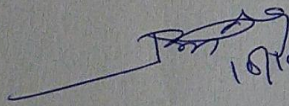

The students admission matter was discussed in the DC dated September 04, 2018. It was observed that out of 70 students, 60 students have joined. Among them 5 students have migrated to other University. Only 55 students are currently remaining. By the time, the admission process completes in neighboring institutes, some more students may also migrate. Under this situation, the DC unanimously resolved that, this situation of students admission should be informed to the University authority with a request to fill up the seats at the earliest.

The meeting ended with thanks to the everybody.
