নং / No. Emergency meeting; রেজল্যুশন / Resolution Adopted

Agenda:

1. To take advance out of the sanctioned amount for conducting fieldwork on two Backward Classes Welfare Department, Govt. of West Bengal funded projects entitled: (i) How does government excel in e-governance? A case study on the impact of online submission system on the issuance of caste certificate; and (ii) An evaluative study on the impact of Sikshashree on education of the Scheduled Caste and Scheduled Tribe population of West Bengal.

The HOD placed the approval letter (No. 2837-BCW/3M-21/15 dated 23.07.2015) and the Sanction Memo (No. 59-TW(Sanction)/25-124/2015 dated 17-08-2015) of the impact assessment projects funded by the BCW Department, Government of West Bengal before the DC. The Principal Investigator of these two projects was Dr. Sumahan Bandyopadhyay, Asst. Professor in Anthro.

After thorough discussion, the DC unanimously resolved that a walk-in-interview would be held in the department to select the temporary field investigators (20 in number) who would be recruited purely on daily wage basis @ Rs. 400/- per day. The DC authorized the HOD to take necessary

interview for the propose may be uploaded in the university website at the earliest. The field investigators would be recruited as and when required.

The DC further resolved that the selection committee will comprise of the following members:

1. The Dean of Science
2. The Head of the Department
3. The Principal Investigator
4. All the Professors of the Department.

The DC also unanimously ~~resolved~~ approved the requisition for taking advance for carrying out the fieldwork and other necessary works so that the projects might be completed within the stipulated time set out by the funding agency / department.

Dr. Sumahan Bandyopadhyay reported that he had already engaged twelve field investigators on daily wage basis @ Rs-4000 per day for a few days for a pilot study and pre-testing of the questionnaire and schedules. The members of the DC unanimously ratified the engagement of the field investigators for pre-testing and pilot study.

The meeting ended with vote of thanks to the chair.

Dr. Bidya
