1. Resolutions of the last meetings are hereby confirmed by D.C.

2. Decisions on tutorial classes will be made with due consultations with F.G. Secretary.

3. The biodegradable wastes are already being recycled and used for gardening. They are completely non-toxic in nature and hence pose no bio-hazard. Department has the traditional practice to kill all the living microbes (through autoclaving) before discarding it for further use.

For non-biodegradable wastes (such as plastic etc) HOD is requested to write a letter to Hon'ble Registrar for providing a suitable container.

4. Collaborative research with Prof. Santalata Sahoo, Utkal University, Bhubaneswar has been discussed in the DC & resolved that the department has no objection for the same.

5. D.C. has thoroughly discussed the resolutions of the Teachers - student committee, and has decided that each responsible faculty will try his/her level best to address the issues. In future, if necessity arises, the faculties will seat with the concerned Dean, for a fruitful solution.

6. Alumni association ~~and~~ has to be revised  
with the specific batch-wise list of alumni.
