

Urgent D.C. Meeting 28.05.2019

Members Present:

1. Prof K. C. Mondal R. 28/5/19
2. Dr N. Ghosh N. Ghosh 28.5.19
3. Dr S.K. Halder S.K. Halder 28/5/19
4. D. C. Bhattacharya D. C. Bhattacharya 28/5/19

Agenda

1. Short-term Training Course funded by DBT.
2. Miscellaneous.

Resolution:

1. DC confirmed the resolutions of the last meeting.
2. The proposal by Department of Life Sc, Presidency University regarding the DBT funded Short-term Training Programme (Faculty Improvement Programme) has been discussed critically. This is a network-based programme & Presidency University took the co-ordinatorship. Considering our previous experience, DBT instructed them to collaborate with us. It has been resolved that a two-week training programme entitled "Microbial Quality Control & Assurance in Food and Pharmaceuticals" can be undertaken after getting due permission from the authority.

3. The D.C. resolves to invite Hon'ble Deen, Faculty of Science, and per his convenience to come to the Department and to discuss the space problem & other related issues, in a DC meeting.

4. The DC welcomes the project proposal entitled "Nanoparticle-mediated delivery of *Acorns calamus rhizome extract*: a new insight in the treatment of allergy" to be submitted to DST, Govt of India.
