Minutes of meeting with faculties of Departmental Committee meeting, Dept. of Applied Mathematics held on 07.11.2019 at 11 A.M at the room of HoD:

The meeting was chaired by Prof. Dilip Kumar Maiti, HoD welcoming all the members discussed on scheduled agenda items and following decisions are adopted:

1. Resolution of the last meeting dated 16th September 2019 is confirmed.
2. All teachers placed their student feedback received from IQAC before the DC members. Subject wise, point wise and semester wise score were discussed. It is observed that overall average score is more than 4. In comparison to the last year an improvement on score is observed in many areas but there is still an opinion to improve the quality as a continuous process.
3. In reference to the letter of the Development Officer & Convener vides Ref No. - VU/DO/Space/02/2019 dated 02.05.2019 against our letter Sl.No 103 of the Peon Book dated 06.06.2019 of Department of Applied mathematics for space requirement. an opinion for showing interest in DST FIST fund has received recently from Development officer ref. no VU/DO/Space/30/2019, dated 21.10.2019, the matter of the letter is discussed in the DC meeting. DC member feels that this fund is allotted for the development of infrastructure of the department as per DST-FIST guideline. So this fund is to be spent for the Departmental Lab, Library and for the development of the Department. Moreover we are running very short of computers to accommodate our PG students of strength of 170 and 25 Research Scholars. Therefore we are not in a position to contribute this fund to establish new centralized computer laboratory at the 2nd floor of New Science Building.
4. Miscellaneous:
 - a. As per the notification of the Director IQAC, Ref No-VU/IQAC/652/2019, dated 30.08.2019 with a request to select some PPTs as teaching material for LMS repository, all teachers are agreed with this and ppts will also be provided to IQAC by mail.
 - b. Those who got admission after in the 1st Internal will be asked to appear for the same as a makeup and Dr. Raghu Nandan Giri is asked to look into this matter.
