

LIST OF TABLES

Table No.	Title	Page No.
Table 2.1	Annual catch of <i>P. monodon</i> from Digha coast during January 2011 to December 2013.	21
Table 2.2	Monthly catch rate (kg/h) of <i>P. monodon</i> (Mean±SE) from Digha coast during 2011-2013.	22
Table 2.3	Monthly percentage of <i>P. monodon</i> landings in total trawl catch (Mean±SE) from Digha coast during January 2011to December 2013.	23
Table 2.4	Monthly percentage of <i>P. monodon</i> landings in total shrimp landings (Mean±SE) from Digha coast during January 2011to December 2013.	24
Table 2.5	Monthly catch (t) of <i>P. monodon</i> (Mean±SE) from Digha coast during January 2011to December 2013.	25
Table 2.6	Average seasonal abundance of <i>P. monodon</i> from Digha coast during January 2011to December 2013.	26
Table 3.1	Length and weight of <i>P. monodon</i> collected from Digha coast during January 2011 to December 2013.	43
Table 3.2	Total length and weight relationship of <i>P. monodon</i> collected from Digha coast during January 2011 to December 2013.	44
Table 3.3	Carapace length and weight relationship of <i>P. monodon</i> collected from Digha coast during January 2011 to December 2013.	45
Table 3.4	Carapace length and total length relationship of <i>P. monodon</i> collected from Digha coast during January 2011 to December 2013.	46
Table 3.5	Comparison of the regression lines of total length - total weight relationship between sexes of <i>P. monodon</i> collected from Digha coast during January 2011 to December 2013.	47
Table 3.6	Comparison of the regression lines of the Carapace length - total weight relationship between sexes of <i>P. monodon</i> collected from Digha coast during January 2011 to December 2013.	48
Table 3.7	Comparison of the regression lines of the Carapace length - total length relationship between sexes of <i>P. monodon</i> collected from Digha coast during January 2011 to December 2013.	49
Table 3.8	Female condition factor (Mean ±SE) of <i>P. monodon</i> collected from Digha coast during January 2011 to December 2013.	50

Table No.	Title	Page No.
Table 3.9	Male condition factor (Mean \pm SE) of <i>P. monodon</i> collected from Digha coast during January 2011 to December 2013.	51
Table 4.1	Length frequency data of females' <i>P. monodon</i> collected during January 2011 to December 2013 from Digha coast.	67
Table 4.2	Length frequency data of males' <i>P. monodon</i> collected during January 2011 to December 2013 from Digha coast.	68
Table 4.3	Stock estimates of <i>P. Monodon</i> collected during January 2011 to December 2013 from Digha coast.	69
Table 4.4	Virtual Population Analysis of females' <i>P. monodon</i> collected during January 2011 to December 2013 from Digha coast.	70
Table 4.5	Virtual Population Analysis of males' <i>P. monodon</i> collected during January 2011 to December 2013 from Digha coast.	71
Table 4.6	Yield per recruit of males <i>P monodon</i> collected during January 2011 to December 2013 from Digha coast.	72
Table 4.7	Yield per recruit of females <i>P monodon</i> collected during January 2011 to December 2013 from Digha coast	73
Table 5.1	Annual sex ratio of <i>P. monodon</i> collected from Digha coast during January 2011to December 2013.	96
Table 5.2	Average monthly sex ratio of <i>P. monodon</i> collected from Digha coast during January 2011to December 2013.	97
Table 5.3	Annual gonadosomatic index (Mean \pm SE) of <i>P monodon</i> collected from Digha coast during January 2011to December 2013.	98
Table 6.1	Gastro-somatic index of males' <i>P.monodon</i> (Mean \pm SE) collected from Digha coast during January 2011 to December 2013.	112
Table 6.2	Gastro-somatic index of females' <i>P.monodon</i> (Mean \pm SE) collected from Digha coast during January 2011 to December 2013.	113
Table 6.3	Sex-wise feeding intensity of <i>P.monodon</i> (Mean \pm SE) collected from Digha coast during January 2011 to December 2013.	114
Table 6.4	Month-wise feeding intensity of <i>P. monodon</i> collected from Digha coast during January 2011 to December 2013.	115
Table 6.5	Maturity-wise feeding intensity of <i>P. monodon</i> collected from Digha coast during January 2011 to December 2013.	116
Table 6.6	Length-wise feeding intensity of <i>P. monodon</i> collected from Digha coast during January 2011 to December 2013.	117
