

Proceedings of the Emergency Conference Meeting of the Departmental Committee held on June 06, 2020

Members participated:

1. Prof. Sudipta Dalai, Head, Department of Chemistry, who presided over the meeting.
2. Prof. Braja Gopal Bag
3. Prof. Ajay Kumar Misra
4. Prof. Amiya Kumar Panda
5. Dr. Subal Ch. Manna
6. Dr. Sumita Roy
7. Dr. Maidul Hossain
8. Dr. Anirban Basu

Proceedings:

The HoD informed the members of the Departmental Committee that he was in receipt of a letter from the Secretary, Faculty Council for Post Graduate Studies, Vidyasagar University with some queries in relation to the forthcoming even semester examinations.

Proceedings:

1. It has been learnt from the discussion that the entire theory portion of SEM II and SEM IV curricula have been completed, including the online classes conducted during the lockdown period. However, 60% (sixty percent) of the practical/project works could have been completed, before the lockdown was declared.
2. The members of the DC opined that the examination may be conducted in offline mode.
3. There would be a requirement of fifteen days time period for the doubt clearing of the students. Also the students who could not attend the online classes regularly might be compensated during that time period. The Department proposed to conduct the SEM IV examination any day afterwards (e.g., if the normalcy is restored and University becomes operational, then the SEM IV 2020 examination may commence from the middle of July, 2020).
4. The SEM II examination 2020 may be conducted after the SEM IV examination would be over.

The meeting ended with thanks to the Chair.
