31.7.2019

RESOLUTION:

Agenda - (2) Santanu Roy appeared in the Ph.D. committee meeting and deliberated his pre-submission seminar proposal in front of the external and internal members of the Ph.D. committee of Remote sensing and GIS. Minor correction ^{in the} ~~of the~~ title of the research is recommended by the members in the meeting today. He answered all the questions raised by the external and internal members in support of his proposed research work. The members also have given some suggestions to improve his pre-submission research proposal in favour of the Ph.D. thesis. His proposal is accepted for final submission of the Ph.D. thesis in due time.

The new title of thesis is recommended ^{after minor correction} in the form
