

Resolution of the DC meeting held on 03.07.2020 in relation to the re-e tender (2nd call) of atomic force microscope (AFM) and circular dichroism spectrophotometer (CD) out of the DST-FIST grant (No. SR/FST/CS-I/2017/7(C) Dt. December 28, 2018).

Prof. Sudipta Dalai, Head, Department of Chemistry, in the Chair
Prof. Braja Gopal Bag
Prof. Ajay Kumar Misra
Prof. Amiya Kumar Panda
Dr. Subal Chandra Manna
Dr. Sumita Roy
Dr. Maidul Hossain
Dr. Anirban Basu

Prof. Amiya Kumar Panda, Coordinator and Dr. Maidul Hossain, Deputy Coordinator, DST-FIST informed the DC that sufficient number of bids were not submitted that could be processed further in purchasing the AFM and CD spectrophotometer. The details of the e-tender bids are being enclosed for ready reference.

The DC unanimously resolved that the current "E-tender" for Atomic Force Microscope (NIeT NO: WB/VU/MID/NIeT- 23/19-20, Tender ID 2020_VU_279197_1) and Circular Dichroism Spectrometer (NIeT NO: WB/VU/MID/NIeT- 22/19-20, Tender ID 2020_VU_279184_1) would be cancelled as inadequate number of bids were received (two for the atomic force microscope and one for the circular dichroism respectively).

The DC also resolves that a re-etender (2nd call) for both the atomic force microscope and circular dichroism be made by retaining all the previous specification (as finalized by the duly constituted Expert Committee, and subsequently noted in by the faculty members of the department, as also followed in the previous advertisement), terms and conditions (as advertised earlier) process will be initiated out of the DST-FIST grant (as mentioned above), subject to the approval of the University authority.

The meeting ended with thanks to the Chair.

Sudipta Dalai 03.07.2020

Head, Department of Chemistry

Tender List

| S.No | Tender ID | Tender Title/Tender Ref No. | Bid Opening Date | No.of Valid Bids |
|------|------------------|---|-------------------------|------------------|
| 1. | 2020_VU_279197_1 | Supply Installation and demonstration of the following lab instrument at Department of Chemistry Vidyasagar University ATOMIC FORCE MICROSCOPE/WB/VU/MID/NIeT- 23/19-20 | 30-Mar-2020 10:00 AM | 2 |
| 2. | 2020_VU_279184_1 | Supply Installation and demonstration of the following lab instrument at Department of Chemistry Vidyasagar University Circular Dichroism Spectrometer/WB/VU/MID/NIeT- 22/19-20 | 30-Mar-2020 10:00 AM | 1 |

Resolution of the DC meeting held on 03.07.2020 to decide on the modus operandi in conducting the Internal Assessment of the SEM IV examination 2020.

Prof. Sudipta Dalai, HoD, Chemistry informed the member of the departmental committee that he was in receipt of a circular from the Controller of Examinations, Vidyasagar University in relation to the above-mentioned subject.

The members of the DC thoroughly discussed the issue and have resolved the following:

1. That the 20% marks of the forthcoming SEM IV examination be credited to the students by conducting internal assessment in online mode or by the internal assessment taken before the lockdown, according to the convenience of the students and concerned teachers.
2. That the student would be informed about the circular at the earliest through the commonly used social media, e.g., Whats-app or email.
3. That the internal assessment would be conducted on July 6-7, 2020, with a prior notice to the students concerned.
4. That there would be questions of ten marks each in each paper. Students will be provided with questions and they would have to submit the answer script to the concerned teacher by e-mail within stipulated time, who would act as the paper setter. Subsequently, the concerned faculty member would provide the roll number wise marks slip to the HoD for onward submission to the University authority.
5. That the students would be asked to submit a presentation/report on their project/seminar work comprising not more than five pages for evaluation within July 08, 2020.

The meeting ended with thanks to the Chair.

Amiya Kumar Panda Faculty, Chemistry
 Head sir Both the resolutions look fine to me. With sincere regards,

sumita roy
 It is fine. Sumita Roy, Dr Sumita Roy, Associate Professor Indiae-mail-rsumita4@yahoo.co.in Tel No-9434217825

Anirban Basu (Faculty, Chemistry and Chemical Technology)
 It is fine.

Braja Gopal Bag Faculty: Chemistry
 Dear Sudipta Babu, I do not want to comment on the resolution regarding bid matters of DST FIST, as specifications have been decided by the Expert Committee. Re

Ajay Misra
 to me

It looks fine
