This Ph.D. thesis is my work on *Inverse 1-Center and Minimum Average Distance Problems on Graphs*. It would not be completed without the support of many people. I owe much to them and would like to take the opportunity to thank them for their encouragement and support.

First, I would like to thank my supervisors, **Prof. Madhumangal Pal**, Department of Applied Mathematics with Oceanology and Computer Programming, Vidyasagar University, Midnapore, West Bengal, India and **Dr. Sukumar Mondal**, Department of Mathematics (UG & PG), Raja Narendra Lal Khan Women's College (Autonomous), Midnapore, West Bengal, India for being enthusiastic and genius supervisors. They provided me a good source of inspiration. They also helped with their useful suggestions on the presentation of the results. This research would have been impossible without their helps and encouragements.

Words cannot express my gratitude towards all my friends. Especially, I am indebted to Dr. Shambhu Charan Barman, Dr. G. Ghorai, Dr. M. Bhowmik, Dr. A. Rana, Dr. S. Paul, Dr. T. Senapati, Dr. T. Pramanik, Dr. Sk. Amanathulla, Dr. C. Jana, Dr. S. Samanta, Dr. S. Sahoo, Dr. T. Bej and Dr. A. Dey for their encouragement on completing my thesis. I am also thankful to all my co-researchers Miss. Sonia Mondal, Mr. Shovan Dogra, Mr. Sankar Das, Mr. Suman Maity, Miss Sreenanda Raut, Amita Samanta Adhya, Miss Nupur Patra, Miss Sanchari Bera and other friends who provided friendly environment.

I am grateful to all the faculty members and all staff of the Department of Applied Mathematics, Vidyasagar University and Department of Mathematics (UG & PG), Raja Narendra Lal Khan Women's College (Autonomous) for their kind help in various stages and express my gratitude and appreciation to these two departments for providing infrastructural facilities.

It is impossible to thank my parents, grand mother, father and mother-in-law and sister enough for their unconditional support and love through all my endeavors and special thanks to Mrs. Subhasree Paul being my wife who helped me a lot in my research work and managing my naughty daughter and son.

Finally, I would like to thank everybody who was important to the successful realization of the thesis, as well as expressing my apology that I could not mention personally one by one.
