This is to certify that the thesis entitled “**Epitope mapping of the allergenic proteins of the pollen of *Datura sp.* and its implications for immunotherapy** “ submitted by **Mrs. Barnali Bera, M.Sc. (Zoology)** for the Degree of **Doctor of Philosophy (Science)** of the **Vidyasagar University**, is a record of original research work carried out under my supervision and guidance.

The results incorporated in the present thesis have not been submitted either in part or in full for any degree or diploma to this or any other University. Mrs. Bera has already delivered the Pre-submission Ph.D. Seminar Lecture on 14.12.2017 at 11.00 a.m. in the **Department of Zoology, Vidyasagar University**. All rules and regulations laid down by the University for the fulfilment of requirements for the Degree have been followed by her. The work is worthy of consideration for the Award of the Degree of Doctor of Philosophy (Science).

I wish her all success.
