

2012

L.L.M.

4th SEMESTER EXAMINATION

ENVIRONMENT & INTERNATIONAL LEGAL ORDER

PAPER—LLM_401

Full Marks : 100

Time : 4 Hours

The figures in the right-hand margin indicate full marks.

Candidates are required to give their answers in their own words as far as practicable.

Illustrate the answers wherever necessary.

Answer any four questions.

- 1.** The Committee on Economic, Social and Cultural Rights has observed that “the roots of the problem of hunger and malnutrition are not lack of food but lack of access to available food, *inter alia* because of poverty, by large segments of the world’s population”—In the light of the above statement discuss how alleviation of poverty is important towards sustainable development. 25

- 2.** “International environmental law has evolved over at least five distinct periods, reflecting developments in scientific knowledge, the application of new technology and an understanding of their impacts, changes in political

(Turn Over)

- consciousness and the changing structure of the international legal order and institution"—Comment how international cooperation is essential in environment protection. 25
3. With the help of the legislative enactment discuss about prevention of pollution from ships. 25
 4. Discuss in details the organisations, functions and objectives of International Maritime Organisation (IMO). 25
 5. Comment on the statement :
"Ocean is the next future of Mankind" in terms of Marine Resources, how to conserve and exploit it. 25
 6. "The devastating effect of the disaster does not go away with the disaster. Disaster is not an end in itself rather it is just the beginning of an unending array of disastrous events"—With the help of the above statement discuss how disaster can be controlled and managed in Indian context. 25
 7. Right to development is a basic human right.—Examine the statement with reference to environmental protection. 25
 8. What are the principles evolved by the Indian judiciary for protection of environment? 25
