

Dated:-16.12.2019

To Whom It May Concern

This is to certify that Sri Mahmudul Haque carried out the work embodied in this Ph.D. thesis entitled, "AN INVESTIGATION ON ALLELOPATHIC POTENTIAL OF THREE SELECTED WEEDS GROWING IN WEST BENGAL" under my joint supervision along with Prof. Alope Bhattacharjee, Retired Professor & HOD, UGC Centre for Advanced Study, Department of Botany, University of Burdwan, Burdwan, West Bengal, India. Mr. Haque has successfully completed the Ph.D. course work framed by the Department of Botany and Forestry, Vidyasagar University according to the UGC Regulations,2009. He has also successfully delivered his Pre-Submission seminar lecture on 4.4.2019 in the Department of Botany and Forestry, Vidyasagar University, for fulfilling the requirement for submitting the thesis for the Degree of Doctor of Philosophy in Science (Botany) of the university as per the regulations of UGC as well as Vidyasagar University.

This is further to certify that the said thesis incorporates the results of original investigation made by Mr. Mahmudul Haque in the Department of Botany and Forestry, Vidyasagar University, Midnapore-721-120 West Bengal, India. In this context I would like to mention that this work or any of it has not been submitted elsewhere previously for any degree whatsoever by him or by anyone else.
