

ACKNOWLEDGEMENTS

Ph.D. journey is an uphill battle with different difficulties in order to get a crowning achievement in academia. Though on the cover of the thesis only my name appears, but it is a cumulative aspiration of so many peoples including, my respected supervisor Prof. Shyamal Kumar Mondal, my respected parents, my family members and friends, whose endless encouragements and supports help me to complete this research work facetiously.

First and foremost, I'm wholeheartedly grateful to my supervisor Dr. Shyamal Kumar Mondal, Professor and HOD in the department of Applied Mathematics with Oceanology and Computer Programming in Vidyasagar University, West Bengal, India, for accepting me as his Ph.D. student and introducing me to the research arena on 'Soft Set Theory'. I am very much fortunate to work under his supervision. As a research scholar, it is very hard to carry out Ph.D work and this has been possible only because of his excellence and endless help. I will remember this throughout my life. His sincerity, punctuality, strong personality, dedication for teaching and research, etc. are the constant source of inspiration for me not only for my research work but also my life. I heartily admire him and ever obliged for his contribution.

I am extremely thankful to the Department of Science and Technology (DST), New Delhi, India, for providing financial support entire my Ph.D. research work.

I am greatly indebted to my co authors Dr. Nirmal Kumar Mahapatra and Dr. Tanushree Mitra Basu for helping me in my research works. They have shared so many great ideas and valuable suggestions in a generous manner so that, I can do flourishing research works. I sincerely very much thankful to them from the bottom of my heart.

I wish to express my cordial gratitude to all the other faculties in the department of Applied Mathematics, Vidyasagar University, West Bengal, India, including Prof. Madhumangal Pal, Prof. S.K. Roy, Prof. D.K. Maiti, Dr. R.N. Giri, Dr. G. Ghorai, Dr. Krishnendu Barman, for giving their valuable advices, comments and encouragements which led me to fulfil my research work efficaciously.

I am very much fortunate to have some adjuvant friends, Mr. Rakesh Nandi, Mrs. Ateka Banu, Mr. Sanjib Sen, Mr. Rabin Kumar Mallick, Sk. Golam Mortaja, Mr. Subrata Panja, Mr. Madhusudan Dolai, Mr. Raj Kumar Bera, Mrs. Anushree Maji, etc. who were always besides me during my every happy and sad moments in this phase. I'm also thankful to my seniors, Dr. Kartik Patra, Dr. Amallesh Kumar Manna, Dr. Prabir Panja, Dr. Prasanta Das and Dr. Srikanta Samanta who have served several experiences and knowledge which I have followed to do better research.

Finally, I would like to express my deepest sense of gratitude to my parents, Mr. Sudhir Kumar Manna and Mrs. Manorama Manna, who means a lot to me for giving their unconditional love and affection. Any word, any appreciation is inadequate to manifest their dedication. I'm grateful to my family members, Mr. Asis Kumar Guchhait, Mr. Sanjoy Das, Mr. Sovanlal Guchhait, Mr. Shubhabrata Manna, Mrs. Manjula Guchhait, Mrs. Manisha Das, Mrs. Shreya Maji and Mrs. Shrutiparna Bose for their selfless love, care and support.
