

## List of attend seminars/conferences

1. UGC Sponsored National Conference on Futuristic Trends in Applied & Computational Mathematics-2017 (NCFTACM 17), Vidyasagar University, Midnapore, West Bengal, India, March 29-30: 2017; Paper entitled '***A decision making methodology based on fuzzy soft set***'.
2. International Conference on Exploring Advances in Mathematical Sciences 2017(ICEAMS-2017), Gour Banga University, Malda, West Bengal, India, March 23-24: 2017; Paper entitled '***Extended grey relational approach for solving fuzzy soft set based decision making problems and its applications in different fields***'.
3. International Conference on Frontiers in Industrial & Applied Mathematics 2018 (FIAM-2018), National Institute of Technology, Hamirpur (H.P.), India, April 26-27: 2018; Paper entitled '***A decision making based on trapezoidal interval type-2 fuzzy soft stochastic set under stochastic environment***'.
4. International Conference on Emergent Research in Mathematics and Engineering 2019 (ICERME-2019), NIT Agartala, Tripura, India, May 17-18: 2019; Paper entitled '***Generalized trapezoidal intuitionistic fuzzy soft sets and its application in medical science***'.
