Resolutions: -

1. The discussion held during the all HOD meeting has been updated to all faculty members by Dr. Sriwiyabi Jana
2. It has been informed by Dr. Jana that he is going to apply for a project titled "Pedestrian Localization in the Typical Indoor Noisy Environment Connecting to Digital India" to a project funding agency Science and Engineering Research Board (SERB), DST, Govt. of India. The DC took note of the proposal and unanimously resolves that department has no objection to the above project, if Dr. Jana submits it to the above mentioned agency.
