রেজল্যুশন / Resolution Adopted

Minutes -

Five parents of students from DAY & CC AE sections participated in the meeting. All the faculty members were present in the meeting. The parents expressed their satisfaction that their sons/daughters got enough of classes in the current semester. They were also happy about the overall infrastructure of the department. One parent, however, stressed the need of exhaust fans in the classroom no. 203.

Prof. Jolly Das stressed on the need of bringing text in the class. Prof. Indrani Achary spoke of the importance of projects in the syllabus. He also suggested that the students should form a habit of visiting ^{the} central library.

Resolution - Resolved that the MOD would write to the office if exhaust fans could be provided for the rooms in extreme heat.
