The HoD, Dr. Srijay Ghosh took over the Chair and thanked everyone. From the discussion, the DC resolves unanimously:

1. The proceedings of the last DC Meeting of 12 July 2023 were read out and confirmed. The proceeding of the Emergency DC Meeting of 01 August 2023 was read out and confirmed.
2. On the Students' Feedback (2022-23) the DC unanimously resolves on the following Action-Taken-Report (ATR):
The DC has discussed the Reports and found certain lacunae that needs urgent attention. We have thoroughly analyzed the reasons of the shortcomings. Some of them are beyond our capacity, such as the shortage of faculty members since the last two years, which makes it difficult to do justice to the demanding Syllabus that has been implemented in the academic year of 2022-23. The Department shall try to make up the academic deficit by installing projectors in the classrooms.
3. The Department needs a thorough upgradation on its get up, and the HoD shall take necessary steps to acquire the following and other necessary accessories: Projectors, Cutteries, Tissue boxes, Curtains, papers and other necessary accessories from time to time.

Adj: Dr. Eyasir Khan has expressed desire to apply for an ICSSR Project. There being no other issue, the Meeting ended with thanks from and to the Chair.
