VIDYASAGAR UNIVERSITY

Professor Ranjan Chakrabarti

Vice-Chancellor

Date : 17.11.2012

FOREWORD

It gives me immense pleasure to note that the Annual Report of Vidyasagar University for the year 2011-2012 is going to be published very soon. This endeavour is to focus on various parameters of our University's performance and to assess the same with the previous year. Understanding the whole issue on a broad perspective is critically important for all the members of the University community. I commend all those who have worked with passion and commitment to bring out the Report.

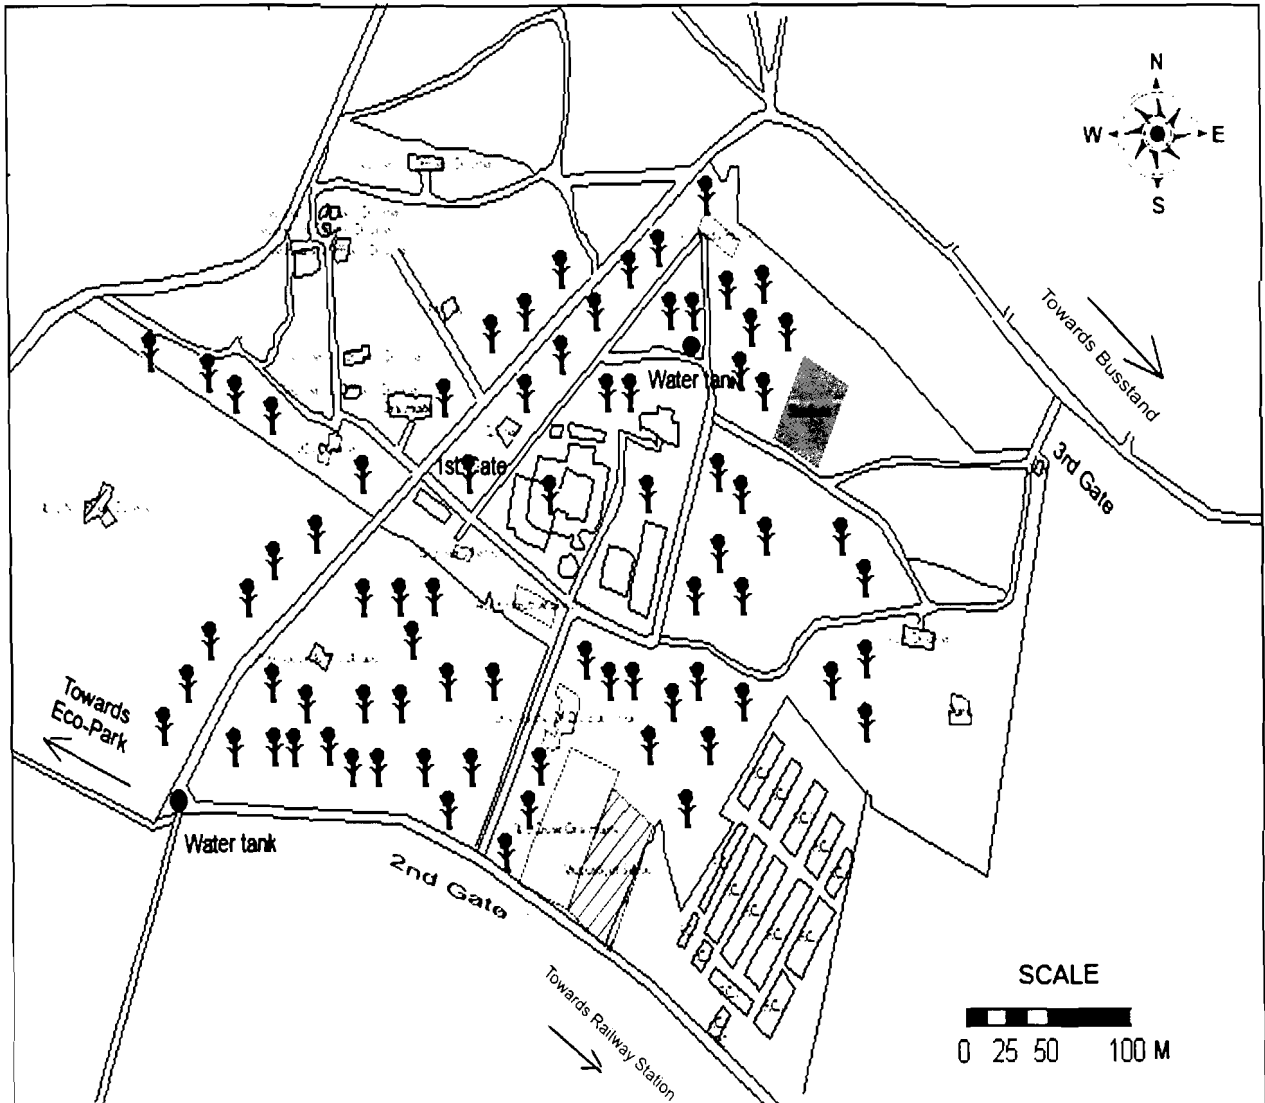

I wish every success in this endeavour.

R. Chakrabarti,

(Professor Ranjan Chakrabarti)

Vice-Chancellor

ANNUAL REPORT 2011-2012

GENERAL INFORMATION

The University was established on 29 September 1981, by an act called the **VIDYASAGAR UNIVERSITY Act, 1981** (West Bengal Act XVIII of 1981) after the name of Pandit Iswar Chandra Vidyasagar, the great educationist and social worker of Bengal. The University Grants Commission accorded recognition to the University under 12 B on March 01,1990.

Mission : The University is established with a mission to meet the divergent needs of the region – ethnic, socio-cultural and geographical along with providing the mainstream education. The University logo with the motto “**EDUCATION, KNOWLEDGE, PROGRESS**” embodies the mission as stated.

Jurisdiction : The University has its well-marked jurisdiction which shall not be extended beyond the limit of Midnapore district (after division now Paschim Medinipur and Purba Medinipur districts) or any district which may be created in future out of any part thereof. Thirty Colleges under Calcutta University within the district of the then undivided Midnapore district were deemed to have been affiliated to Vidyasagar University.

Area : The total area of the University campuses (semi rural location) is 138.78 acres.

Main Campus : 103.74 acres, Residential Campus – 35.04 acres.

7. Research and Development Activities :

The faculty members of the University are actively engaged in R & D activities in their respective disciplines. Research grants have been regularly pouring into the different academic Departments of the University from funding agencies such as the UGC, CSIR, DST, DBT, DRDO, etc. Individual research grants have been received by the faculty members of the Departments of Chemistry and Chemical Technology, Human Physiology with Community Health, Microbiology, Bio-Medical Laboratory Science and Management, Botany and Forestry, Commerce with Farm Management, Sociology, Political Science with Rural Administration, Anthropology, Aquaculture Management and Technology, Remote Sensing and GIS, Zoology, Physics and Techno-Physics, Botany and Forestry, English, Applied Mathematics, and Geography and Environment Management. We have raised the slogan of 'one teacher one project' and the teachers have been motivated to apply for research projects from the various funding agencies.

The Department of Microbiology and the Department of Bio-Medical Laboratory Science and Management have received UGC grants for their Innovative Programmes. While the former has received Rs. 60 lac and 02 posts of Assistant Professor for the 1-year Post Graduate Diploma Course in Quality Control & Assurance in Microbial Technology, the latter has received Rs. 60 lac and 01 post of Associate Professor and 01 post of Assistant Professor for the 2-year M. Sc. Course in Clinical Nutrition.

It is worth mentioning here that many of our distinguished faculty members are pursuing collaborative research work with other Universities in West Bengal and India.

A large number of Visiting Professors and Scholars have been invited from esteemed national and international institutions for the benefit of our Post Graduate students. Scholars from the USA, Germany, the UK, France and the West Indies have visited our campus and have delivered lectures under the UGC Merged Scheme Programme. The Departments of Bengali, Economics, English, Geography, History, L&I Sc., Philosophy and Political Science, and the Departments belonging to the Biological Sciences and the Physical Science have been bringing out Departmental journals regularly. All through the academic sessions almost all the Post Graduate Departments have organized seminars, symposia and other relevant academic activities under the UGC Unassigned Grant Scheme.

A good number of our esteemed faculty members also went abroad to attend international seminars/symposia/conferences, etc. During the session 2011-12, Prof. Susanta Kumar Chakraborty of the Department of Zoology attended **Australia Society for Limnology & New Zealand Freshwater Society's Congress 2011 (ASL & NZFSS)** held at Brisbane, Australia during September 26-29, 2011; Prof. Braja Gopal Bag of the Department of Chemistry attended the **14th International Union of Pure and Applied Chemistry Conference on Polymers and Organic Chemistry (POC-2012)** held at Qatar during January 06-09, 2012; Dr. Amal Kumar Mondal of the Department of Botany attended **International Botanical Congress-2011** held at the University of Melbourne, Australia during July 23-30, 2011; Dr. Subrata Kumar De of the Department of Zoology attended the **XXI Congress of the European Chemoreception Research Organization (ECRO)** held at Manchester, UK during September 7-10, 2011; Dr. Debdulal Banerjee of the Department of Botany attended **Asian Mycological Congress 2011 & 12th International Marine & Freshwater Mycology Symposia** held at the University of Incheon, Korea during August 07-11, 2011; Dr. Abhisek Chakraborty of the Department of Remote Sensing & GIS attended **International Symposium on Spatio Temporal Analysis and Data Mining (STDM-2011)** held at University College of London, UK during July 18-19, 2011; Dr. Saraj Kumar Pan of the Department of Bengali attended the **2nd International Congress on Bengal Studies** held at the University of Dhaka, Bangladesh during December 17-20, 2011; Apart from that, University officers such as Dr. Abdur Rahim, Secretary, Faculty Council for Post Graduate Studies; Shri Partha Sarathi Das, Programmer; and Shri Arindam Bhattacharya, System Analyst; and faculty members such as Dr. Ramkrishna Maity and Dr. Nilanjana Das Chatterjee of the Department of Geography, Dr. Jatisankar Bandyopadhyay of the Department of Remote Sensing & GIS, and Dr. Basudev Mondal of Aquaculture Management & Technology attended an International conference on **Managing Development in Developing Countries** held at Bangkok, Thailand during March 27-31, 2012.

It is also worth mentioning in this connection that our hon'ble Vice-Chancellor has authored/edited two scholarly books in the domain of history during the current academic session.

OFFICE OF THE FINANCE OFFICER

A. PART-I- NON PLAN (Revenue Account) :

Income under Non-plan head consists of Maintenance & Additional Maintenance grant from the State Government, UGC Non-plan grants under different schemes and University Revenue Income. On the other hand the Expenditure includes pay and allowances of university employees, expenses against UGC approved schemes and non-salary items of maintenance nature. The Maintenance grant is sanctioned by the State Government to meet the expenditure on pay and allowances of the university employees including pensioners. The State Government has been releasing monthly maintenance grant for Rs. 150.56 lakh on an average during current year and when the actual monthly demand comes to Rs. 224.52 lakh in R.E. and Rs. 269.03 lakh in B.E. (considering arrear Payment and retirement benefits etc)

The State Government is also releasing the **Additional Maintenance grant** on quarterly basis towards meeting the expenditure on Non-salary item. In the current year we received Rs. 18.36 lakh and Rs. 24.48 lakh for the 1st and 2nd quarter respectively whereas our quarterly requirement comes to Rs. 104.73 lakh in R.E.& 137.63 lakh in B.E.. As such the trend of releasing the Additional Maintenance Grant by the State Government shows a clear deficit and ultimately creating a financial burden on University to a great extent. In order to cope with the situation the State Government may be moved for enhancement of both the grants.

The Plan & Non Plan : Income & Expenditure are summed up and visually translated in the Pie Chart as under pages- 1-2. The figures shown as salary component, does not include the amount for proposed additional posts of teachers (61), officers (15), non-teachin (116), and Hostel employees (10), approval of which is still awaited. Initiative may be taken for getting approval from the Government in this respect. Some important head of expenditure are discussed below.

1. Pay & Allowances :

Pay & allowances of the teachers, officers & non-teaching staff have been worked out as per present strength as shown in page nos. '23-27' Provision has been made in the R.E. for Rs.2694.20 lakh and for rs. 3228.34 lakh in B.E. If the vacancies are filled in the provision will be raised accordingly.

2. Expenses under Non-salary head :

All the recurring expenditures under Non-salary head are made from the university's own revenue and from the State Govt. Additional Maintenance Grant. The budget provision is as follows :

	R. E. 2012-13	B. E. 2013-14
Total Expenditure	9,53,11,000	11,38,81,000
Total Revenue (Own)	5,34,20,000	5,88,30,000
Claim from the State Govt. as Addl. Maint. Grant	4,18,91,000	5,50,51,000

3. Faculty wise budget estimate :

We have prepared the faculty wise budget estimate for the financial year 2013-2014.

4. Provision for Outside Security Agency :

Due to inadequacy of our own security Staff we have to engage Outside Security Agency for the protection of University property for which an amount of Rs. 15.00 lakh have been provided for R.E. and Rs. 18.50 lakh for B.E.

5. Guest Teacher & Contract Staff :

The University has to engage Guest Teachers for all P.G. faculties throughout the year. Therefore provision has been made for Rs. 21.32 lakh in R.E. and for Rs. 21.32 lakh in B.E. respectively. Beside

this a provision for 95.00 lakh in R.E. and 115.00 lakh in B.E. in order to pay the teachers and supporting staff engaged on contract basis.

6. Study Tour & Field Work :

Provision for the students' Study Tour & Field Work purpose (@ Rs. 250/- perhead per student) has been made in the R.E. for 3.25 lakh and in the B.E. for Rs. 3.25 lakh. The Educational Tour, Field Work/ Survey Camps are organized preferably within West Bengal.

7. Repair & Maintenance :

A provision for expenditure of Rs. 81.25 lakh in R.E. and Rs. 87.00 lakh in B.E. have been made on lump sum basis for eight (8) items under this head.

8. Contribution to Fund :

In case of the head "Contribution to Fund" in the Expenditure side provision for R.E. and B.E. has been made as under :

Head	R.E. 2012-13	B.E. 2013-14	Remarks
1. Development Fund	45,00,000	50,00,000	Total amount of affiliation fee and share of convocation expenses from DDE are taken into account
2. Pension Fund	36,00,000	36,00,000	Rs. 3,00,000 per month has been transferred to Pension fund in accordance with the Govt. Order for creation of "Pension Fund"
3. Interest Deposit Fund	70,00,000	80,00,000	Interest earned from the FD is credited to the Interest Deposit Fund

9. Introduction of Staff Welfare Fund :

We propose to introduce a "Medical Benefit Scheme" by opening a staff welfare fund. The provision from own fund has been shown as under.

Head	R.E. 2012-13	B.E. 2013-14	Remarks
Staff Welfare Fund	9,00,000	9,00,000	Introduction of "Medical Benefit Scheme" as per G.O. No-694 (II) - Edn (U) date d kolkata, 8th December, 2008.

10. Hostel (Boys' & Girls') :

The number of seats are 245 & 182 for girls and boys respectively. There are four sanctioned staff for girls' hostel only against which the University receive salary grant. Besides, a substantial amount has to be provided for the salary of 17 nos. of casual workers and other contingent expenses to run the hostels. Therefore, provision has been made in the R.E. for Rs. 40.00 lakh in the column "Proposed liability for additional posts" and in B.E. for Rs. 45.00 lakh. initiative has already been taken with the State Government for getting sanction of additional posts for the hostel. The university authority had taken

a step to increase the number of seats for the students by construction new hostels. A new Boys' hostel of 120 nos of seats from the State Government grant of Rs. 236.22 lakh is under construction. A new girls' hostel of 64 nos of seats from the state government grant of Rs. 71.25 lakh is under construction.

11. Students Welfare :

A health check up program for the students has been introduced under the supervision of the MEDICAL UNIT of the University. There is a provision for Rs. 1.00 lakh in R.E. and Rs. 1.25 lakh in B.E. for this unit.

Every year poor students are provided with financial assistance out of students' welfare fund over and above the half-free/full-free studentship. There is a provision for Rs. 1.00 lakh in R.E. and Rs. 1.00 lakh in B.E. for this unit.

There is also a provision for expenditure on placement and training for Rs. 7.50 lakh in R.E. and Rs. 9.00 lakh in B.E. Campus interviews are organized by the office of the Dean of Students Welfare.

12. Sports & Culture :

A provision has been made for Rs. 8.00 lakh in R.E. and Rs. 10.00 lakh in B.E. for Sports and Rs. 2.50 lakh in R.E. and Rs. 3.00 lakh in B.E. for Cultural activities.

13. Development Expenses :

Provision has been made for Rs. 138.00 lakh in the R.E. and Rs. 164.50 lakh in the B.E. respectively. The provision has been made from university own fund to which includes Administrative Building, Silver Jubilee Building, Sports Complex, Academic Building etc., The University is trying to get some grants for these projects simultaneously from the UGC and the State Government under Plan head (Part - II) also.

14. Self financing courses :

The University has following self-financing courses :

Name of the Courses	Duration	Exam. System
MCA	3 years	Semester
M.Sc. in Microbiology	2 years	Semester
M.Sc. in Electronics	2 years	Semester
M. Sc. in Computer Sc.	2 years	Semester
BMLSc & Mgt.	2 years	Semester
M. Sc. in Remote Sensing & GIS	2 years	Semester
M. Sc. in Aquaculture Management	2 years	Semester
MA in Sociology	2 years	Semester
MA in Sanskrit	2 years	Semester
MBA	2 years	Semester
M. Phil	2 years	Semester
M.Sc. in Nutrition	2 years	Semester

The expenditure incurred for the self-financing courses has been totally covered within the Income under this head. Moreover, the University is considering introduction of new self-financing courses in the innovative areas like (i) food/ Agro-processing, (ii) Biotechnology etc. Projected income & expenditure for these courses have been shown under separate head 'Proposed New Courses'

15. Introduction of New Faculties / Departments :

The University is considering for opening (a) Law Faculty.

B. PART-II : PLAN HEAD (Development) :

The expenditure account under this budget head comprising of construction of building, purchase of equipment, furniture, books, etc. are shown separately under this head vide page no. '15' As the expenditures are generally made against sanctioned grant from the funding agencies namely UGC/GOI and State Government. There is no deficit except in case of escalation of cost etc. The ongoing projects under construction head are replica Science Building; Auditorium; Silver Jubilee Building; Campus Water resource; etc. Provisions have been made for Rs. 1216.88 lakh in R.E. and Rs. 1250.00 lakh in B.E. on State Government account and rs. 2300.00 lakh in R.E. and Rs. 2700.00 lakh in B.E. on UGC account. Efforts are being given for getting approval and sanction of fund.

C. ANNEXURE : (Project / Research / Fellowship / Scholarship / Stipend / Medals / Endowments)

The ongoing Projects and Research work under the supervision of the University teachers have been shown in separate sheet at pages '18-20'. Total thirty seven numbers of important projects funded by different agencies viz, UGC, CSIR, DST STATE & CENTRE, ICSSR and ICMR etc. are presently running, assistance received by the University in the year 2011 -12 is Rs.199.55 lakh.

A list of endowments by donors for bestowing medals & stipends to meritorious students each year at both the U.G & P.G. levels out of the interest earned from the fund deposited in the F.D. A/c. at UCO Bank V.U. Branch, in addition to prized and medals given by the University is given in pages '21-22'.

In the Fifteenth Convocation held on 22nd April, 2010, 29 Gold centered silver medals and 29 silver medals have been given to the U.G. students (2009); 31 Gold centered silver medal and 31 Silver medals to the P.G. students (2008) as the University Medals and 11 gold centered silver medal and 10 Silver medals has been awarded to the students under distance mode (2008).

Endowment medals 26 gold and 6 Silver medals has been given to the PG students (2008) and 10 Gold medals to the UG students (2009). 5 students were qualified for receiving Cash Prize out of Endowment Fund. 3 students received medals for Saheed Prodyout Bhattacharya Smriti Essay Competition 1 gold, silver and bronze each.

Before I conclude, it may be mentioned here that the present student strength of this University in P.G. level is about 3000 and in U.G. level is around 80000. At the UG level three tier examination systems and in the PG level semester system has already been introduced. More grant/support is necessary to provide better educational and infrastructural facilities to the communities as a whole.

D. Accounts & Audit :

It may be stated here, that we are able to prepare the university receipts and payments accounts up to the year 2010-11. The transaction and Accounts audit have been completed up to 2010-11/2008-09 respectively by the AG Auditor (Local Audit Department, Govt. of India). We are able to prepare the Annual accounts in Balance Sheet form for the financial year 2010-2011.

We have taken an initiative to start the department wise Internal Audit from the financial year 2009-10. But it could not be implemented in a full fledged manner due to shortage of staff.

Under Administrative Automation scheme complete integrated software specially designed for this University is being developed. The financial management part of this software has been installed and it is under trial.

I must appreciate the whole-hearted support being given to our department by our teachers, officers and staff for running the day-to-day activities of the university.

E. Resource Mobilization :

The University has continuous efforts for mobilization of resources and increasing the University's own revenue. In fact University has a little scope to procure donations from the sources other than the UGC, state Govt. or Central Govt. grants. But the University is trying to mobilize its resources and take steps to increase own revenue, though it is not sufficient to meet up the basic needs of the University.

Some specific steps to increase the resources have been taken by the University.

1.1 We have collected 43 endowments amounting Rs. 7.12 lakh. From the interest of said fund Endowment Medals are awarded to the UG, PG-students standing First & Second for the subjects as per the conditions given by the Donor.

1.2 We have introduced Affiliation/Registration fees from the self financing colleges like Law Colleges, Management Colleges and B.Ed. Colleges etc.

The incomes in the previous years under the head are as follows :

Year	Amount (Rs. In lakh)
2006-07	3.60
2007-08	9.41
2008-09	57.43
2009-10	25.59
2010-11	44.61
2011-12	61.48

We have spent this amount in the capital expenditure like constructions of Boundary Wall, Teachers Hostel and Silver Jubilee Bhaban etc.

1.3 Sports fees has been introduced w.e.f. 2006-07 from the UG

Students @ Rs. 40/-, The fee is collected from the under graduate students at the time of admission into 1st year class in the college. Out of the said Rs. 40/- University received Rs. 20/- per candidate from the colleges to meet the budget of sports committee to some extent. We have collected under the Head:

Year	Amount (Rs)
2008-09	6,00,920/-
2009-10	7,22,690/-
2010-11	8,18,440/-
2011-12	9,02,240/-

1.4 Some self financing courses are running in the University. At present 11 (Eleven) self financing courses are running and the income from said courses are gradually increased by increasing seat capacity. But most of the said income is spent for development of infrastructure of the respective Departments. The income of the said courses during the last seven years are as follows :

Year	Amount (Rs. In lakh)
2005-06	90.79
2006-07	90.60
2007-08	107.02
2008-09	115.17
2009-10	99.92
2010-11	150.87
2011-12	136.95

1.5 By increasing the cost of various types of forms like Registration form, Migration form, Application form for Re-Examination. Duplicate Admit card/Mark-Sheet etc. The revenue is shown as below :

Year	Amount (Rs. In lakh)
2005-06	8.32
2006-07	8.91
2007-08	10.43
2008-09	11.72
2009-10	18.56
2010-11	18.84
2011-12	20.23

1.6 Mobilization of Resources by Plantation of Tree : Most of the vacant lands of the university are planted with the Eucalyptus and some other valuable trees; some area is covered by Cashew tree. University gets some revenue by selling cashew nut every year; Eucalyptus Trees are sold every five year. The increase of revenue is shown as below :

Year	Amount (Rs. In lakh)
2008-09	1.66
2009-10	0.71
2010-11	0.18
2011-12	0.31

1.7 University earns some revenue from House rent from Teachers & Staff quarters, Teaching & Non-Teaching Hostels, Banks and Post-office etc. These Buildings are constructed mostly form University's own resource and earns revenue from them. Last seven years earning are as follows :

Year	Amount (Rs. In lakh)
2005-06	7.52
2006-07	7.29
2007-08	6.19
2008-09	8.59
2009-10	10.52
2010-11	12.92
2011-12	11.88

F. Maintenance grant/Additional Maintenance grant :

Maintenance grant for payment of salary and additional Maintenance grants for recurring non-salary head are sanctioned by the State Government. It is found that there is always a deficit in salary grant and in additional maintenance grant (Non-salary) every year that hampers the development work of the University.

**Utilization of State Govt. Grant

Introduction:

The Central Library of Vidyasagar University is a central facility, which provides information support for teaching and research activities of the university. The Library was established in the year 1986 and since then it has been growing in size and content and finally in the year 1996 it was housed in its present building with about 16 thousand Sq. ft. covered area. A book elevator is used for shifting books and other reading materials in different floors.

The University Library is a Knowledge Centre which has a rich collection of text books, serials, reference documents, theses and back-volume periodicals. It is a three-storey building situated in the midst of the academic complex of the University and is the hub of all academic activities of the University.

The Library is completely automated and remains open from 8.30 a.m. to 5.30 p.m. throughout the year on all weekdays (excluding Sundays and university gazette holidays). However, in the Saturdays the general Reading Room remains open from 10.30 a.m. to 5.30 p.m. Twelve computers have been installed exclusively for accessing OPAC searching.

A Centre for Digital Resource Services is located at first floor with 24 Computers for the library users to access the available online resources and internet surfing. A Career Information Cell has been functioning from the Reading-cum-Reference Section in the ground floor to serve the users who intend to take coaching for NET, SET and other competitive examinations. The Central library of Vidyasagar University has been witnessing noteworthy development in various spheres during the last few years. Growth may be seen in its holdings, users and application of technology.

Readers Services:

During the reporting period, numbers of students enrolled were 2213, the transactions at circulation desks, i.e. issue and return of books, were around 31982. Around 6 thousands readers were visited during this period for reference and/or study.

Resource Sharing & Institutional Membership:

The Vidyasagar University Central Library is a member of INFLIBNET Centre, Ahmedabad where several documents data are imported and exported from time to time. The university library also has got the membership of two renowned libraries, namely IIT, Kharagpur and British Council Library, Kolkata from where our users can access their required documents. On the other hand Vidyasagar university library also offers the Institutional Membership to its affiliated colleges who had enrolled themselves as institutional members by paying the prescribed annual membership fee to make use of the library facilities. Besides borrowing facilities, other services like, periodical service, digital library service, on-line e-journal surfing service, photocopying service, etc. are provided to the institutional members. Consulting services are also provided against a nominal fee to those institutional members who need help relating to their computerization problems.

Reprographic Services:

The Vidyasagar University Central Library provides reprography (Xerox) service inside the library to all its members. A private Xerox firm has been contracted for providing photocopying services to all the library users at nominal charges.

Book Grants:

The University Central Library had received a total grant of Rs. 66.59 lakhs from the State Government for purchasing books and journals during the period under review.

Library Collection:

At present the university central library has a collection of 99140 purchased books. The Vidyasagar University Central Library has acquired about 5400 books and 132 e-books in various disciplines by spending around Rs. 58.0 lakhs during this period. Apart from this, the library has collected 1436 CD-ROMs and received a good number of books as gift from various sources. The Library had subscribed to 92 Indian journals on different disciplines, 09 national newspapers and 17 general magazines during the period under review. Besides these, the library has collection of several reports on different subjects, like Census Report, World Development Report, Education Report, etc. A good no. of text books for reference, conventional reference books as well as the books for competitive examinations is available in the Reference Unit as 'Reserve Collection' for consultation and photocopying whenever necessary.

Library Members:

All the bona fide students, faculties, research scholars, administrative and non-teaching employees of the university have access as the members of the Central Library. The total Library membership is 2510, out of which 2213 are PG Students, 30 are PhD scholars, 126 are Teachers, 151 are Non-teaching and Administrative staff and 11 are Institutional Members. Besides these, the visiting faculty members from other institutions, visiting research fellows and ex-students of this university also avail the library facilities as per library rules.

Automation and Networking:

The Library is using SOUL Software (Software for University Libraries) for housekeeping jobs in different sections viz. Processing Section, Periodicals Section, Readers' Services (Circulation) Section, Online Public Access Catalogue Section, etc.

OPAC (Online Public Access Catalogue):

The Library Catalogue can be accessed online. The entire collection of University Library can be searched through OPAC of VU Central Library or through web-OPAC from any corner of the university campus as well as from outside the campus.. Library Catalogue is available from the Central Library link or from the OPAC link of the VU website at www.vidyasagar.ac.in

COMPUTERIZATION:

ICT facilities :

The Library has excellent IT infrastructure to manage all the in-house operations as well as providing specialized information services to the faculties, scholars and students. The library computing and infrastructure services are based mainly on two independent clouds. The infrastructure clouds are based on VmWare virtualization technology and some services still run on bare metal (physical machines). All the areas of the Central Library have been wi-fi enabled to provide wireless access to the internet. Users are welcome to use their laptops and other mobile gadgets in the library. A description of the physical infrastructure and services of the Central Library is given below:

A. Infrastructure Servers- 2 servers each with 2x6 core Intel(R) Xeon(R) CPU E5540 @ 2.53GHz and 48 GB RAM; 4 servers each with 1x4 core Intel(R) Xeon(R) CPU E5430 @ 2.66GHz and 8 GB RAM; 2 servers each with a single Intel(R) Xeon(TM) CPU @ 2.93GHz and 8 GB RAM.

B. Storage Servers -

EMC NS120: The storage is configured with 20 450G SAS disks assigned to each of the two controllers in active-active cluster mode, with a total usable storage capacity of 6 TB. It also has got 4 port active-active SAN controller.

1. Three RAID groups in RAID 5 with single parity
2. 2 hot spares
3. 4X1 GBPS Ethernet port

C. Networking - The library network backbone is of 10 Gbps. The storage servers are connected to the backbone using multiple 1 Gbps (port channel/link aggregation and redundant) paths. The library backbone supports multiple VLANs for security of the infrastructure and computing clouds.

C.1. Library Wi-Fi: The library WiFi (802.11n standard) is based on controllers and access points from HP Networks. We use IEEE 802.1x (WPA2 Enterprise) based encryption for security on SSID. For authentication, SSID use the EAP method EAP-TTLS with PAP as the inner-tunnel method. This method is natively supported in Mac OS X and Linux. Many versions of Windows also support it natively. In case this method is not supported in your version of Windows. WiFi_Guests is an "Unsecured network" but uses HTTPS authentication based on captive portal technology. The RADIUS server for EAP uses the IITD LDAP and Kerberos systems for user authorization and authentication at the back-end. Users can connect to the Wifi network using their LDAP ids and Kerberos passwords. Upon successful authentication, clients are configured using DHCP.

D. Physical Machines & Other Accessories -

- Application server for Thin Client machines
- Library Application Server (SOUL)
- CD/DVD Mirror Server
- Management server for VMWARE Host
- Network Printer

- High End Scanner for Digitization of existing documents (Thesis, Manuscript etc.)
- Barcode Scanner

E. Virtual Machines on the infrastructure cloud -

- IIS WEB Server (Production), Master
- IIS WEB Server (Testing) , Slave
- Database Server (Production), Master

F. Library Desktop clients - In addition to the above infrastructure library also has approximately 30 desktop clients and about 36 Thin Client PC.

ICT Services: Computer Division of the Central Library operates 24 hours a day, 365 days a year. It has a power back up through four 10 KVA UPS and one 62 KVA Diesel Generator set. Air conditioning is provided by split air conditioners.

ICT Services

A. University Website - The Library is maintaining web hosting facility of all web sites of the form <http://vidyasagar.ac.in>. Moreover is has a facility to host sub-domain of the form <http://xyz.vidyasagar.ac.in>.

B. Online Public Access Catalogue (OPAC) - The OPAC is one of the most heavily used databases of the library and is accessible 24x7 via library web page. Besides listing all the documents available in the library OPAC is searchable by author, title, accession number, subject and several other fields. Around 12 PCs are placed at the entrance lobby for OPAC searching, e-mail and internet browsing and eight computer terminals in the book stacks exclusively for searching the on-line books database.

C. E-Journals and Online Database Service - The Central Library provides web-based access to over 5,000 full text journals and 12 databases 24 x 7 on institute-wide network.

D. Dspace Repository & E-Books - Central Library has set up an archive of publications brought out by the institute. The archive already has over 1650 items and is being updated to cover more publications which are permissible within the copyright regulations. The archive is expected to evolve in to a database of all publications produced by the Vidyasagar University community and is accessible on the Internet through the library homepage.

E. CD/DVD Mirror Server - The Library has installed CD/DVD mirror server (more than 800 CD already archived) to store the contents of CDs and DVDs and provide accessibility of digital data archive throughout the campus through local area network.

F. Software Update Service - Central Library has implemented the WSUS infrastructure that will help conserve Internet Bandwidth. The WSUS infrastructure allows automatic downloads of hotfixes, updates, service packs, device drivers and feature packs to clients in an organization from a central server(s), instead of using the public Microsoft Windows Update website. This saves bandwidth, time and disk space, as the individual computers in a network do not have to connect to an external server themselves, but connect to a local central server. Moreover it has also implemented Linux RPM repository server to store all the Linux patches locally.

G. Web Based Faculty Information & e-Circular System (with SMS and email alert) - Library has recently hosted one web based faculty information system in which all the faculty member can upload their Bio-

data, communicate with their student, generate departmental notice etc. Moreover we have also hosted another information dissemination system in which all the registered users can upload notification, reports etc in the public domain and also send alert (SMS and email) to the specified group of people.

H. CDRS LAB - Library has recently setup CDRS (Centre for Digital Information Service) lab with 24 numbers of thin clients. It is mainly used by the registered library members to surf the internet.

I. Wi-Fi Service - Central Library has installed WLAN on 802.11n to allow accessing Vidyasagar University computing resources (Local network and Internet) through the Wireless communication. WLAN employs mobile network access through the Wireless Access Points. Only authorized users can access the Vidyasagar University network as well as Internet Services. In Central Library of Vidyasagar University, WLAN is used to provide reliable and proper network connectivity to mobile on-campus users. They can access all servers and applications which they can access from wired structure.

J. WEB Based Email Service - This service enables you to access your mailbox from anywhere (inside or outside Vidyasagar University) via the Internet. The current service is given through google apps with some local modifications. The email address of the user is <user name>@mail.vidyasagar.ac.in. Library is also maintaining lists server to send emails to a group of users.

K. Print Service - Library has recently installed one network printer in the CDRS lab with automatic print quota management software. This is mainly used by the registered library members to print their documents against Payment.

L. Consultancy Service - Library is also helping other institute and affiliated colleges to automate their library. Registered members are getting telephonic support or remote support in case of failure of any service. This is a paid service offered to the registered users only.

DIRECTORATE OF DISTANCE EDUCATION

Educationists all over the world recognize the immense value of Distance Education. And in this regard the role of Directorate of Distance Education (DDE) of Vidyasagar University is inestimable. The Directorate of correspondence courses, later renamed as Directorate of Distance Education, started its journey long back in 1994. The first academic session of Post Graduate course of studies in different subjects under distance mode was effected from 1994-1995. The Distance Education has tremendous potential to spread higher education beyond the brick and mortar world. And accordingly, the main goal of the DDE, Vidyasagar University was to cater the needs of those students who were eligible for higher studies but who could not avail the regular mode of education, due to various socio-economic reasons.

Over the years the DDE of Vidyasagar University has become an integral part of the university with 30 study centres throughout the state. Particularly in the field of P.G. Science subject studies the achievement of DDE is not only pioneering but astonishing as well. This year in the month of March, DDE, V.U. in collaboration with International Institute of Management Science, Kolkata an International Conference on **Managing Developments in Developing Countries** was effectively organized at Bangkok, Thailand with participation of 32 academics from this university and in attendance of three eminent personalities who are most accredited academicians of repute.

The Management and administration of the DDE of this University is vested with the Executive Council and is administered through the Advisory Committee and the Subject Committee attached to the DDE.

The total number of meeting of the Advisory Committee during the year 2011 -2012 is one.

Member of Advisory Committee

1. Professor Ranjan Chakrabarti, Hon'ble Vice Chancellor - Chairman
2. Dr. Ranajit Dhar, Director (Acting) DDE, V.U. - Member Secretary

Other Members are not yet finalised.

Highlights

Existing Infrastructure

- Science Laboratories, Library and Computer Centre with LAN Facilities have been established in the second floor of the DDE building.
- Books worth of Rs. 3.00 lakh have been purchased for the DDE Library out of the DEC grant.
- Kiosk has been installed at the DDE for students information service out of the DDE grant.
- The installation of Wireless LAN in the university out of the DEC grant has been completed.
- Construction proposal of a new academic cum administrative building and extension of DDE guest house has been under project pipe line.

Major Activities of the DDE :-

- * Preparation of Self-Learning Materials (SLMs)
- * Admission
- * Issue of Self - Learning Material (SLMs)
- * Conduct of Personal Contact Programme (PCP)
- * Coordinate Study Centres under DDE
- * Conduct of Practical Session
- * Conduct of Field Study Programme
- * Receipt, Evaluations and return of Assignments
- * Conduct of Examinations
- * Publication of Examination results.
- * Holding Seminars/Workshop on different academic issues.

Special Achievements :-

- * A large number of students of different ages are availing scope of continuing as well as completing Higher Education thro Directorate of Distance Education, Vidyasagar University.
- * Introduction of Science subjects under Distance mode of education by DDE, VU is first of its kind in the entire Eastern Region.
- * A good number of DDE students have qualified in all India competitive exms particularly like NET/SET/GATE/GRE etc.
- * In March, 2012 under joint initiative of the DDE, VU and International Institute of Management Science, Kolkata and International Conference on **Managing developments in Developing Countries** was effectively organized at **Bangkok, Thailand (Hotel Riverside)** with participation of 32 academics from this university and in attendance of three eminent personalities who are most accredited academicians of repute.

Course Offered

1. M.A. in Bengali
2. M.A. in English
3. M.A. in History
4. M.A. in Political Science with Rural Administration
5. M.A. in Sanskrit
6. M.Com. in Commerce with Farm Management
7. M.Sc.in Applied Mathematics
8. M.Sc. in Chemistry
9. M.Sc. in Dietetics and Community Nutrition Management
10. M.Sc. in Environmental Science
11. M.Sc. in Physics
12. M.Sc. in Zoology
13. M.Sc. in Botany
14. M.A./M.Sc. in Geography

Enrolment in the DDE, 2011-2012

Total enrolment in different course under the DDE during 2011-2012 is **12,483**. The detail break-up of enrolment subjects wise under Part I and Part II are furnished below.

Sl.No.	Subject	Part I	Part II
1.	Bengali	3728	1309
2.	English	1185	368
3.	History	2224	1075

10.	Environmental Science	382	310
11.	Dietetics & Community Nutrition Management	223	81
12.	Applied Mathematics	211	83
13.	Chemistry	199	80
14.	Geography	1061	585
	Total	12,483	4,832

Total (Part I + Part II) = 17,315

Student Support System

Website :- Website of the DDE (<http://dde.vidyasagar.ac.in>) contains the detail of admission, application format for downloading, SIMs content, PCP/Counselling Schedules, Examination schedules, important notification, communication details etc.

Newspaper :- Details of admission, PCP and examination schedules and other necessary notification are also made available through advertisement in four daily leading newspaper (1st and 15th day of each month)

Admission :-

1. Directly at the Main Centre at Vidyasagar University by the Candidate.
2. Through Study Centres.

Preparation of Self Learning Materials (SLM's)

SLMs (Self Instructional Materials) are prepared in the form of Modules and Units by the subject experts consistign of respective faculty members of this University. eminent scientists and teachers from other University. IIT Kharagpur and academic / research institutions. After editorial scrutiny, SLMs are printed and are made available to the students. Guidelines for preparing SLMs have been formulated on the basis of DEC requirements. These guidelines have already been made available to the writers for their adoption in preparing the SLMs.

AV Materials :-

For Science subjects, VCDs are prepared for practical classes to provides students support services. VCDs have also been prepared on the field Studies and project work conducted by the students for future reference.

Achievements :

- 1) The DDE has given an opportunity to a large number of students of all ages for higher education.
- 2) The DDE of Vidyasagar University is the first Institution to introduce science subjects in its course curriculum in the Eastern region.

- 3) DDE has created resource persons for Undergraduate Colleges in Environmental Science, which has been introduced in all colleges as compulsory subjects.
- 4) Several employed DDE students have been benefitted professionally in terms of knowledge and position in their offices / institutions.
- 5) Several passed out DDE students have been employed in Govt./Semi-Govt. educational institutions and private organisations.
- 6) Several passed out DDE students have qualified in the all India competitive examination like NET/SLET/GATE/GRE etc.
- 7) Several passed out DDE students are doing research work in India and abroad.

Distance Education Council (DEC) Approval of the Courses :

Our courses have approved by Distance Education Council (DEC) for the year 2010-2013.

About the Centre:-

The Computer Centre of Vidyasagar University, established in 1998, plays a pioneer role in disseminating the knowledge in computer and its application among the people of different communities in and around the rural areas of west Bengal where the University is situated. It has crossed a number of milestones and continues to increase the activities in new areas of application. It provides full computational facilities to the Faculty members, Research Scholars, and students of the University. It provides opportunities to learn computer and its application to faculty members, research scholars, students, staff of the University and College by opening a number of regular courses, training courses, organizing seminar, workshops for them. Through these training programmes it is generating part of revenue. To provide industry oriented teaching to the students in one hand and to generate revenue on the other, it has chosen a collaborative approach with the IT companies. The Computer Centre of Vidyasagar University has opened a few Post graduate diploma courses in collaboration with CMC. It has taken an initiative to develop projects for all the affiliated colleges in developing Websites and Application software on payment basis. It is maintaining the Campus Wide LAN (Optical Fiber based GBIC) with 850 nodes throughout the campus and providing the Internet Services through the NME-ICT and NKN project launched under XI plan period.

The Computer Centre has the following major division currently (April 2011 to March 2012) working to cater the need of the University, Colleges and Society.

1. Technological Advancements & services.
2. Training /Literacy/Awareness programme Division
3. Academic Division

4. Project & Consultancy.

Each of the above divisions is running successfully and has achieved a number of milestones during 2011-12.

1. Technological Advancements & Services in 2011-12.

Computer Centre, being the nerve centre of the University takey pioneer role in offering many important and vital services to the University Communities, Colleges and Society. Efforts are always there to improve the Quality of services provided to the communities members. Some of the major services that are provided through Computer Centre. It has made the following technological advancement in the campus and proposes to take projects in XII plan.

i) Technological Advancements :

a) Secure LAN / Internet structure :

The University has one high BAW (IGBPS) internet connectivity terminated at computer under NME-ICT & NKN project. For security and safety of the campus wide LAN setup the gateway lab is equipped with high end Router (MX80-Juniper), fortigate firewall, fortianalyzer etc.

b) Monitoring bandwidth utilization of 1 GBPS link under NME-ICT/NKN project :

The prestigious 1 GB link had been installed in 2010 with low b/w utilization. However some direct connectivity and increase of users and new services has increased the bandwidth utilization even upto 100 MBPS and soetimes 175MBPS. This has been monitored 24 hours using the firewall and Linux MRTG software.

c) Introducing Redundant LAN infrastructure under NME-ICT/NKN project:

The central Govt. (MHRD) has sponsored project of LAN implement under the project with a total cost of Rs. 50,00 lacs at Vidyasagar University with only 25% cost sharing. This is making the whole campus LAN to operate in redundant mode, availability is being increased. Under this scheme LAN facilities will be extended to all classrooms, laboratories & faculties, Guest house, hostels, Medical Unit, Auditorium etc. However the core switch and other building switch are not included in the project, it will be purchased from XII plan grant.

(ii) Services:

(a) Computational and Research Facilities:

The Computer Centre having newly installed computational and Research Oriented Software, Hardware and having 24 hours internet services, offered these facilities to Research Scholar, Faculty members and PG students of the University through Enrolment. A large number of users under this category are enrolled and uses these services. New enrolment initiatives are being taken to enhance the enrolment.

b) Internet and Other LAN Services in 2011-2012:

The Computer centre is also looking after the total internet services provided to each and every dept. through the new program under this project NME-ICT launched in the XI plan by MHRD & State Government.

The new 1 GBPS (1000 MBPS) Leased Line has been commissioned from November, 2010.

The University has also obtained a 2 MBPS backup Internet Connectivity (Broadband) from BSNL during 2006-2007 to enhance the Quality of Service throughout the Campus even during peak working hours.

The total number of computer having Internet and LAN connectivity has been increased to 750 at present.

All these internet users are able to access all the subscribed e-Journals (full text) under e-Journal Consortium of Iuflibnet

BSNL has set up an exchange and direct OFC Connection has been setup in our internet LAB.

- c) **CAMPUS LAN & its Maintenance:** Computer Centre is also maintaining the Optical Fiber based Gigabit Campus-wide Local Area Network. The smooth and planned maintenance of the Campus LAN has result in 0 hours downtime of the LAN. Users get uninterrupted services throughout the year. The total number of Computers interconnected in LAN is 750.
- d) **Practical facilities to PG Students:** Many departments are not having enough computer infrastructures but have computer in their course curricula. Computer Centre provides the computer practical facilities' to them as per their course curricula.
- e) **Practical exam centre for various S/W & H/W related examinations under UG & PG courses.**

2. Training /Literacy/Awareness programme Division in 2011-12:

The Computer Centre, through this division, disseminates the knowledge in computer and its application among the peoples of different communities in and around the rural areas of west Bengal where the University is situated

Through this section, it offers many certificate and training/awareness courses throughout the year for

- (i) University/ College teachers & officers
- (ii) the Staff of University & Colleges
- (iii) the Post graduate students of the University
- (iv) the Research Scholar, and
- (v) UG Students under the University.

It has planned to extend the Computer Awareness/Literacy programme for the youths of rural and tribal areas in Purulia, Bankura and Midnapore District through seminar/demonstrations.

Training/Certificate Courses Conducted during 2011-2012:

Name of the Courses	Target Group	Course Duration	No. of Students
Diploma course in "Office Automation & Internet Technology".	For PG Students of the University, M-II	May,2012 to October,2012 Continue	15
Certificate course on "Office Automation and Internet Technology"	For PG Students of the University, M-I	September, 2011 to March,2012	17

Computer Centre arranged the free training programme (15 days duration) for all the PG students of the University under the UGC XI plan (Merge Scheme) for 2 months programme. Total 772 students in 12 batches had been trained under the scheme.

2. Academic Division in 2011-12:

To provide industry oriented teaching to the students in one hand and to generate revenue on the other, it has chosen a collaborative approach with the IT companies under its Academic Division since 2008-2009. The Computer Centre of Vidyasagar University has opened a few Post graduate diploma courses in collaboration with CMC, Kolkata (A Tata Enterprise) during 2006-07 periods.

- a. Post graduate Diploma in Applied Computer Science (PGDACS)

Duration – 1 year; Minimum Eligibility: Graduate

It is also offering Diploma Course in office Automation & Internet Technology for regular UG / PG Students of the University.

3. Project & Consultancy in 2011-12.

The Centre has also opened its new wing in terms of S/W development and consultancy works to cater the need of the affiliated colleges and other organizations of the nearby districts in computerizing their activities and provide necessary help and consultation on payment of requisite fees to University.

In this academic session (2011-2012) it has taken up and completed the College project work for development of websites of two colleges

i) Santal Bidroha Sardha Satabarsiki Mahavidyalaya and

ii) Silda Chandrasekhar College.

It has exclusive plan for obtaining more development and consultancy works during the next session.

Apart from these it provides many services to the Affiliated Colleges and the Society in organizing different IT related events, user awareness programme for youths, staff and faculty members of colleges, and helps district authority in all IT activities.

INTERNAL QUALITY ASSURANCE CELL

ANNUAL REPORT (2011-2012)

The IQAC cell at our University is not in a good shape. The main problem is lack of at least one working staff. The seed money earmarked for hiring people could not be utilised because of some transitory regulatory / technical problems. Immediately after I took over from my predecessor we could organise very successfully one Two-Day National Workshop on 'Quality Assurance in Reaccredited Institution' during September 27-28, 2010. After that the transition period started mainly caused by the retirement of the then Vice-Chancellor, Prof. Swapan Kumar Pramanick. Prof. Nanda Dulal Paria took over as the next Vice-Chancellor initially for a temporary period during which all recruitments / selections were stalled on regulatory grounds. On his resignation, the present Vice-Chancellor, Prof. Ranjan Chakrabarti has taken over in January last. Things are now settling down gradually. But by that time the unutilised portion of the seed money has gone time-barred. We are expecting to roll on now with the sanction of funds for the XII Plan. The University is not in a good position in terms of staff strength to depute someone to help me in undertaking the huge tasks of the IQAC cell.

12. Whether the Dept. has received SAP, COSIST, ASSIST, DST-FIST etc. during the period, if any please give the details.

13. Highlights :

a) Dr. Amit Kumar Kisku was awarded the Government of India Doctoral Fellowship to undertake research work at School of Oriental and African Studies (SOAS), University of London, September, 2011.

b) Dr. Kaushik Bose undertook collaborative research with Dr. Slawomir Koziel, Director, Institute of Anthropology, Wroclaw, Poland. Dr Koziel was awarded an Indian National Science Academy (INSA)-Polish Academy of Sciences (PAS) Visiting Fellowship, December, 2011.

15. Others (if any)

a) Dr. Abhijit Guha act as a UGC Visiting Fellow at Centre of Advanced Study, Department of Anthropology, Utkal University, Bhubaneswar, Orissa during 13th — 19th November 2011. Delivered four seminar lectures on "Methodology, Land Acquisition, Political symbolism and Postmodernism in Anthropology".

b) Dr. Dipak Kumar Midya; Acted as the Convener of the Workshop on *Quality Development in Teaching and UG Curricula in Anthropology* held at the Department of Anthropology, VU, during January 18-20, 2012 (under UGC Unassigned Grant).

c) Dr Kaushik Bose was selected as:

a) New Member of Editorial Board:

Internet Journal of Biological Anthropology.
Journal of Anthropology.
Food and Nutritional Sciences
Human Biology Review
Journal of Biomedical Sciences.

b) New Member of Panel of Reviewers:

Food and Nutrition Bulletin,
Maternal and Child Health Journal
Translational Biomedicine Journal.
Journal of Pediatric Intensive Care,

d) Dr. Sudip Datta Banik

ACADEMIC DEGREE / DIPLOMA

Post Graduate Diploma in Statistics. Autonomous University of Yucatan, Merida, Mexico. 2011-12.
Univariate and multivariate statistical methods.

MEMBERSHIP OF INTERNATIONAL ANTHROPOLOGICAL ASSOCIATION

Life Member of the International Union of the Anthropological and Ethnological Sciences (IUAES)- 2012.

e) Prof Falguni Chakrabarty

1. Other Write-up:

- i) Authored the Teaching module entitled "*Human Ecology and Human Settlement*" for Post Graduate course in Environmental Science under the Directorate of Distance Education (DDE), Vidyasagar University.
- ii) Authored the teaching module entitled "*Dating Method: Absolute Chronology*" for Post Graduate course in the subject of Anthropology in the distance mode under Indira Gandhi National Open University.

2. Editorial Activities during April 2011 to March 2012 :

Served as Content Editor of the following teaching modules in the subject of Anthropology for the students in the distance mode under Indira Gandhi National Open University:

- i) Mesolithic Culture
- ii) Theoretical and Methodological Issues of Environmental Anthropology

3. Professional Responsibilities:

During April 2011 to March 2012 discharged the responsibilities of a member of the Anthropological Committee of Asiatic Society by actively participating in the work of formulating the academic programmes in the Anthropology-Section of the Society.

4. Outreach Academic Activities during April 2011 to March 2012:

- i) Served as Resource person for conducting fieldwork for the Post Graduate Students of

Environmental Science under the Directorate of Distance Education (DDE), Vidyasagar University in different coastal areas of Purba Medinipur district.

- ii) Served as Resource person for Personal Contact Programme (PCP) for the Post Graduate Students of Environmental Science under the Directorate of Distance Education (DDE), Vidyasagar University.
- iii) Served as Resource person for the one year Post Graduate Diploma Course in Gerontology and Age Management offered by Calcutta Metropolitan Institute of Gerontology.
- iv) Served as Supervisor for 2nd year students of Post Graduate course in Human Rights in the Department of Anthropology, University of Calcutta for last two years.

		7. Invited lecture in National Seminar on "current trends in biological sciences".	April 29-30, 2011	Pingla Thana Mahavidyalay	Application of Ergonomics in Designing of Agricultural hand tools.	National
3.	Dr. Chandradipa Ghosh	1. International Conference on Molecules to Systems Physiology: 100 Years Journey (ICMSP100).	Sept. 21-23, 2011	University of Calcutta, Kolkata	1. Molecular Characterization of Community Associated <i>Staphylococcus aureus</i> Infections. 2. Role of Cyclic AMP Receptor Protein in <i>Vibrio cholerae</i> possessing Quorum Sensing Autoinducer-mediated Biofilm Formation Pathway independent of LuxO/HapR Regulatory Loop.	International
		2. International Conference on Perspectives of Cell Signaling and Molecular Medicine.	Jan. 8-11 2012	Bose Institute Kolkata	Cholera autoinducer 1 (CAI-1)-dependant signaling system in a novel subtype of <i>Vibrio cholerae</i> regulating biofilm formation and virulence.	International
		3. International Conference on Frontiers in Biological Researches.	Feb. 26-27, 2012	Vidyasagar University, Midnapore, West Bengal, India.	1. Molecular analysis of virulence factors of community associated <i>Staphylococcus aureus</i> isolated from children with scalded skin syndrome. 2. Autoinducer-I signaling cascade of <i>Vibrio cholerae</i> 0139 Bengal.	International

					<p>3. Charecterization of virulence potential and identification the signal transduction pathway for long environmental persistence in certain <i>Vibrio cholerae</i> environmental isolates.</p> <p>4. The biofilm formation of <i>Vibrio cholerae</i> having the quorum sensing auto-inducer mediated biofilm formation pathway can be regulated by cyclic AMP receptor protine in absence of HapR & LuxO regulatory loop.</p> <p>5. Obesity, motor quality and physiological development a study on preadole-scent school going children in Midnapore, India.</p>	
4.	Dr. Sujata Maiti (Choudhury)	1. International Conference on Molecules to System Physiology : 100 Years Journey.	Sept. 21-23, 2011	Cenetary Celebration of Dept. of Physiology, University of Calcutta, Kolkata.	<p>1. Evaluation of the Cytotoxic, Antitumor and Antimitogenic Potential of <i>Eupatorium ayapana</i> Leaf Extracts against Ehrlich's Ascites Carcinoma (EAC) and in <i>Allum cepa</i> Root.</p> <p>2. In vitro cytotoxicity apoptotic and anti-proliferative properties of the mixture <i>Ocimum sanctum</i> & <i>Eupatorium ayapana</i> leaf extracts in Dalton's ascites lymphoma.</p> <p>3. Role of zinc in mitigating the toxic effects of cypermethrin on male reproductive system of rat</p>	International

				by inhibition of cell cycle arrest in sperm cells.	
	2. International Conference on <i>Frontiers in Biological Researches (ICFBR-2012)</i>	Feb. 26-27, 2012	Vidyasagar University, Midnapore, West Bengal, India	<p>1. In vitro cytotoxic, apoptotic and antiproliferative role of <i>Eupatorium ayapana</i> leaf extracts against Ehrlich's Ascites Carcinoma (EAC) cell, and antimitotic potential on <i>Allium cepa</i> root.</p> <p>2.
