

NEW
Part-II 3-Tier
2015
ZOOLOGY
(General)
PAPER—III
(PRACTICAL)

Full Marks : 100

Time : 6 Hours

The figures in the right-hand margin indicate full marks.

Write questions as in set drawn and dictated by the external examiner, in the answerscript provided.

Answers all questions.

Part-II 3-Tier
2015
ZOOLOGY
(General)
PAPER—III
(PRACTICAL)

Full Marks : 100

Time : 6 Hours

The figures in the right-hand margin indicate full marks.

Write questions as in set drawn and dictated by the external examiner, in the answer script provided.

[Instructions to the Examiners]

- 1.** The examination must not be conducted without an External Examiner.
- 2.** Number of examinees for each batch should be limited to 20 (twenty).
- 3.** The Internal Examiners are requested to send the programme of Practical Examination of respective centres to the Controller of Examinations, Vidyasagar University and to the Co-ordinator before commencing of the examination.

(Turn Over)

4. For Question No. 1 and 2, one set is to be chosen for each batch out of the bunch of sets by the External Examiner. This chosen set is to be dictated to the examinees for recording on their answerscripts with proper authentication by the Examiners, mentioning date.
5. For Question No. 3, the examiners will set six (6) materials from the groups mentioned below as per Practical Syllabus :

Group—A — Bone (any one)

Group—B — Histological slides (any one)

Group—C — Non-Chordates (any two)

Group—D — Chordate (any two)

A key list for Question No. 3 is to be made date-wise for each batch and full signature of both examiners should be recorded alongwith the Roll Numbers of the respective candidates.

6. Full address of both examiners [Residential and College] should be noted in the key book along with their short signatures and phone numbers.
7. Any change of examination schedule is to be immediately communicated to the Controller of Examinations, Vidyasagar University and the Co-ordinator.
8. The Examiners are requested to submit their Remuneration bill, T. A. bill, key book and posted award list properly signed by both the examiners during the submission to evaluated answerscripts to the co-ordinator.

9. Evaluated answerscripts, posted award lists and other materials are to be despatched in sealed packets to the co-ordinator within 10 days from the date of completion of practical examination.

Co-ordinator : Dr. Sachchidananda Bhattacharya

Off. Address : Dept. of Zoology
Egra S. S. B. College

Res. Address : Kasba Egra, Egra.
Purba Medinipur, Pin-721429
Mobile No. 9434933978.

Sets of Questions for Dissection & Mounting

Set-I

- (A) Nervous system of Earthworm.
(B) Origin & distribution of Xth cranial nerves of Rohu / Lata.
- (A) Mouth parts of Cockroach.
(B) Setae of Earthworm.

Set-II

- (A) Digestive system of Pila.
(B) Afferent branchial system of Rohu / Lata.
- (A) Cycloid scales.
(B) Mosquito larva.

Set-III

1. (A) Digestive System of Cockroach.
(B) Brain of Rohu / Lata.
2. (A) Redula of Pila.
(B) Ctenoid scales.

Set-IV

1. (A) Afferent branchial system of Rohu / Lata.
(B) Nervous system of Earthworm.
2. (A) Mouth parts of Cockroach.
(B) Mosquito larva.

Set-V

1. (A) Digestive System of Earthworm.
(B) Afferent Branchial System of Rohu / Lata.
2. (A) Osphradium of Pila.
(B) Blood film of Rat.

Set-VI

1. (A) Origin and distribution of Xth cranial nerves of Rohu / Lata.
(B) Digestive system of Pila.
2. (A) Placoid Scales.
(B) Mouth parts of Mosquito.

Set-VII

1. (A) Origin & distribution of IXth cranial nerves of Rohu / Lata.
(B) Digestive system of Cockroach.
2. (A) Whole mount of aquatic micro-arthropod.
(B) Epithelial cells from buccal smear.

Set-VIII

1. (A) Nervous System of Pila.
(B) Afferent branchial system of Rohu or Lata.
2. (A) Mouth parts of Mosquito.
(B) Epithelial cells from buccal smears.

Set-IX

1. (A) Female reproductive system of Cockroach.
(B) Afferent branchial system of Rohu or Lata.
2. (A) Whole mount of aquatic micro-arthropod.
(B) Placoid scales.

Set-X

1. (A) Brain of Rohu / Lata.
(B) Digestive system of Earthworm.
2. (A) Osphradium of Pila
(B) Ctenoid scales.

Set-XI

1. (A) Afferent branchial system of Rohu / Lata.
(B) Nervous system of Pila.
2. (A) Setae of Earthworm.
(B) Cycloid scales.

Set-XII

1. (A) Origin & distribution of IXth cranial nerves of Rohu / Lata.
(B) Female reproductive system of Cockroach.
 2. (A) Radula of Pila.
(B) Blood film of Rat.
