Dr. A.K. Nanda, brought the item of the letter (with reference) as an item under the miscellaneous for consideration, <sup>in the year 2015</sup> and found no benefit in considering it as miscellaneous. The clause in ~~the~~ existing PU & regulation as pointed out by the Secy PU FC. was very straight and simple in consideration of the present status in the dept of PU & and funds. However, due to the difference in views the item would be resolved.

Dr. D. Banerjee <sup>asked to go</sup> the notice regarding departmental committee <sup>meeting</sup> (Ref no - nil) dated 16.7.2015 is circulated to the faculty ~~at the last moment~~ lately (4-5 days after issue). But he disagrees with their comments in that he was present in the dept on those days and other notices and letters were circulated to him. He <sup>is</sup> ~~is~~ <sup>oppose</sup> ~~oppose~~ <sup>about the matter and requested the chairman to</sup> ~~oppose~~ <sup>such type of incidents should be</sup> ~~avoided~~ <sup>avoided</sup> in the dept.
