Resolutions:

The departmental faculties and office staff were present in the meeting to discuss about the performances of students (Sem-I/Sem-III) with the parents participated in the meeting held on 19th September<sup>(2018)</sup> at 11-30 AM in the seminar Hall of Geography and E.M. Parents appreciated the improvement of their boys and girls in the University teaching learning process. They also recommended some areas of improvement <sup>in increasing composit (NEI/SET exam)</sup> among the students for appearing in competitive examinations after completion of Masters in Geography in Vidyasagar University.

Prof. Ashis Koro Paul, HOD, assured them to take some necessary actions for further improvement

19.09.2018

of the students through introduction of Group discussion on different social, environmental and geological issues; grooming of the students to take part in challenging job market, and through celebration of different significant days with cultural programmes and discussions among the teachers and students.
