*Sub: Prayer for appointment of Guest Teacher for the M.Sc. Sem-I & Sem-III course in Remote Sensing & GIS.*

Sir,

I beg to state you that there is an urgent requirement for guest teachers in our department since the classes of 1<sup>st</sup> and 3<sup>rd</sup> semester have been started in full swing. As per your suggestion our departmental committee (DCM held on 11<sup>th</sup> August, 2016) has resolved that internal faculty members would take more class. But there is a need for expert and experienced external as well as teachers of other departments of our university to cover few parts of our syllabus.

Therefore, it is my earnest request to allow the following guest teachers in view of running the M.Sc. RS and GIS course smoothly. The percentage of class proposed here is less than ten percent of total class. Details of the guest teachers are mentioned below.

**For Teaching PG students of RS & GIS**
