

## Resolution of the USIC committee meeting held on 06.08.2015

**Agenda 1:** Purchase of equipment and accessories from the remaining amount of the previously sanctioned Govt. grant for equipment.

**Resolution:** It has been resolved unanimously that the following items are very much essential for the smooth functioning of USIC and the Director of USIC is requested to take the initiative for purchasing the following items at the earliest.

1. Chiller for Fluorescence spectrophotometer
2. Fluorescence cuvette ( 4 nos)
3. Computer for Ao+ scanner
4. Printer cum scanner (HP) for USIC office
5. Cryo gel (for Cryo microtome) - 2 nos.
6. Mercury lamp for Nikon microscope- 2 nos.
7. Vacuum cleaner.

### Miscellaneous:

1. Members unanimously resolved that the window AC, presently out of order should be replaced by a new split AC (1.5 ton) at USIC. Members requested the Director, USIC to take initiative in this matter.
2. Director of USIC placed a proposal of the furniture and electrical work for the allotted two rooms at the first floor of New science building. Members unanimously accepted the proposal and requested the Director to take necessary steps for materializing the same.
3. Dr. Kesab Ch. Mondal , HOD Microbiology proposed for special earthing of the centre. Members unanimously accepted the proposal and requested the Director to do the necessary in this matter.
