

1. Bibhas Choud, working under the supervision of Dr Shubhrajit Sengupta of Burdwan University, gave the pre-submission seminar. The PhD committee suggested a change in the title of his thesis. The changed title is "Representations of Alterity in Post-Independence Indian English Drama".
2. The application of Shibayoti Karmakar praying for an extension of PhD registration by one year has been duly considered in the meeting. In view of his illness the committee feels that he may be granted a year's extension.
3. The PhD Committee noted and thanked the Hon'ble Vice-Chancellor for kindly extending the period of Registration of Arpita Bhosnick by six months. However, after interviewing her it was found out that she needed to work extensively particularly on the literary aspects of Virginia Woolf's works. So the committee feels that with a three-month old baby it would be very difficult for her to complete the thesis before one (01) year from now.
4. The committee noted the Registrar's letter regarding for the written admission test & interview of Sumit Mishra (JRF-NET). Unfortunately, the PhD Coursework for the session 2018 is already over. So the committee ~~reg~~ advises the candidate to appear for interview for the PhD programme of 2019.
5. The question papers for the PhD Coursework Exam 2018 were moderated in the meeting.
