Resolutions

1. Dr. Manoj Kumar Pati, Teacher-in-Charge of the Department of Aquaculture Management & Technology welcome the members of the Parent-Teacher's Committee, explain about importance of the committee.
2. Mr. Sankar Patra (Father of Soumen Patra, 2nd sem.) mentioned to reduce the tuition fees of each semester.

Resolution: It is conveyed to the parents that the tuition fees of the students are decided by the University Authority and not by the Department of AMT.

3. Mr. Shyamal Mondal (Father of Arindam Mondal, 4th sem.) suggested to arrange campus selection of the students.

Res.: It is resolved that in future, the HR of companies will be communicated for on-campus recruitment of the students.

4. Mr. Sankar Patra requested for training programme in companies related to fisheries for better placements of the students.

Res.: It is discussed that in 4th semester of the syllabus, there is one dissertation/project paper and the students are encouraged to do project work in reputed companies related to fisheries.

5. Dr. Joydev Maity mentioned that the students are not properly utilizing different resources (such as library, internet etc.) provided by the University for the benefit of the students.

Res.: It is resolved that both parents and teachers will motivate and guide the students for the meaningful utilization of the resources.

6. Both the guardian share their experiences with the faculties and requested for such type of meeting time to time.

The meeting is ended with vote of thanks to the Chair.
