

First meeting of the Ph.D. Committee in Life Science is held on 20.12.18 at 12.00 noon at Anindya Basu Roy Hall to discuss the following agenda:

- 1. Pre-registration seminar
- 2. Misc., if any

Members Present

- 1. Prof. Ranjan Chakrabarti:  (Chairman)
- 2. Prof. Subrata K. De:  (Vice-Chairman) 20/12/18
- 3. Prof. Prakash C. Dhara:  (Secretary) 20.12.18
- 4. Prof. Chandradipa Ghosh:  20/12/2018
- 5. Prof. Saumen Mitra
- 6. Dr. M. R. Chakraborty:  20/12/18
- 7. Prof. Kashi Nath Bhattacharya:  20/12/18
- 8. Prof. Sankar Ghosh
- 9. Dr. Debdul Bangal Pathyay:  20/12/18
- 10. Dr. Keshab C. Mondal:  20/12/18
- 11. Prof. Amiya Panda (Invited):  20/12/18

Resolution

All members are welcome to the 1st meeting of Ph.D. committee in Life Science by the Secretary Ph.D. Committee.

The following candidates presented pre-registration seminar:

- a) ~~SubhadEEP~~ SUBHADEEP MONDAL
Supervisor: Prof. Keshab C. Mondal

Title of the thesis: ~~Production~~ The production of consortia of carbohydrate debranching enzymes from fungal and their potential applications.

Resolution: The candidate (Shubhadeep Mondal) is recommended for Ph. D. registration.

a b. Asim Sahoo

supervisors (1) Prof. Subrata K. De Dept. of Zoology
(2) Dr. Sandip Chattopadhyay, Dept. of Biomedical Science

Title: ~~XXXXXXXXXXXX~~ Toxicological study of cashew nut shell liquid on albino rat

Resolution: The candidate (Asim Sahoo) is recommended for Ph. D. Registration.

c (C) Emili Manna

supervisor: Prof. Anuja Panda, Dept. of Chemistry

Title: Physicochemical investigation on membrane mimetic system with reference to ionic liquids

Resolution: The candidate (~~Emili Manna~~) is recommended for Ph. D. registration.

(d) Soma Dutta Das

supervisor: R. K. Bhakat, Dept. of Botany & Forestry

Title: Studies on Ethnomedicinal plants of Shargram district, West Bengal, India

Resolution: The candidate (Soma Dutta Das) is recommended for Ph. D. Registration.

(2) Moumi Mandal,

Supervisor: Dr. Sagar Acharya, Dept. of Zoology

Title: Prevalence of anemia in association with single nucleotide polymorphism of iron related genes among multiethnic groups of Jhargram district of West Bengal.

Resolution: The candidate (Moumi Mandal) is recommended for Ph.D. registration.

2. Application of Prizanka Raul for admission. The matter of the application is discussed thoroughly and it is resolved that the candidate may be admitted to Ph.D. program of Life Science subject to -

(i) ~~take~~ qualifying in oral test, ^{which will be specially} arranged.

(ii) qualifying in course work in ~~micro~~ microbiology / physiology etc.

The above matter be placed to vice-chancellor for approval
