Resolutions:

1. Firstly all the guardians appreciated the departmental faculty members as the students are getting assistance from the teachers every time. Guardians are very much happy as the university authority provides all the facilities (e.g. Transport, library, internet, chatrabandhu apps, smart class rooms, subsidised canteen, medical and many others) for having higher studies of the students.
2. Requirement of Career counselling for better placement/higher studies of the students after M.Sc. degree through job oriented and NET/SET/GATE coaching classes.
