

## DECLARATION

*I, Mr. Aparup Paul, hereby declare that the work included in the present thesis is original and has not been submitted to any University / Institution for the award of a Degree/Diploma or any other academic award anywhere before. I have followed the guidelines provided by the University in preparing the thesis. Whenever, I have used materials (data, theoretical analysis, figures and texts) from other sources, I have given the due credit to them by citing them in the text of the thesis and giving their details in the references. I further declare that the results presented in the thesis and considerations made therein, contribute in general to the advancement of knowledge in Chemistry and in particular to "Synthesis, crystal structure, low temperature magnetic behavior and biological activity of Schiff base coordinated poly-nuclear Cu(II) complexes."*
