CERTIFICATE

This is to certify that the research work embodied in the thesis entitled “***Studies on the conservation and enhancement of biological diversity of economically and ecologically important ichthyofaunal resources of Paschim Medinipur District, West Bengal, India using Geoinformatics***” submitted by ***Mr. Sujit Kisku*** for the Degree of Doctor of Philosophy in Zoology (Science) of Vidyasagar University, Midnapore, West Bengal, India is the record of original investigation carried out by him under my supervision and guidance. The thesis has fulfilled the standard as per the regulation of Vidyasagar University and the work is worthy for consideration for award of Ph. D degree to him. This is also certifying that the title of the thesis is within the area of research. Further, I confirm that this work has not been submitted for any other degree or diploma to any University or Institute.

(Professor Bidhan Chandra Patra)
