

SUBJECT INDEX

A

| | |
|------------------------------------|-----|
| Agency Cost Theory | 52 |
| Arbitrage | 21 |
| Asset Utilization Efficiency | 116 |

B

| | |
|------------|----|
| Bank | 32 |
|------------|----|

C

| | |
|---------------------------------------|----|
| Capital Budgeting..... | 2 |
| Capital Structure..... | 4 |
| Conflict of Interest Hypothesis | 37 |

D

| | |
|----------------------------------|--------|
| Debt Overhang Problem | 52 |
| Descriptive Statistics..... | 131 |
| Dispersed Shareholding | 38 |
| Dynamic Panel Data Analysis..... | 21, 22 |

E

| | |
|--------------------------------------|--------|
| Economic Value Added | 49 |
| Efficient Monitoring Hypothesis..... | 36, 43 |
| Expropriation Hypothesis..... | 43 |

F

| | |
|-----------------------------|--------|
| Financial Distress | 23 |
| Financial Performance | 45, 46 |

H

| | |
|-------------------------------|-------|
| Heteroskedasticity..... | 121 |
| Horizontal Agency Crisis..... | 7, 40 |

I

| | |
|-------------------------------|----|
| Institutional Investors | 30 |
| Insurance Companies | 34 |
| Interest Tax Shield..... | 4 |

M

| | |
|---------------------------------|---------|
| Market Timing Theory | 25 |
| Market to Book Value Ratio..... | 48, 112 |
| Market Value Added | 49 |
| Multicollinearity..... | 118 |
| Mutual Fund | 33 |

N

| | |
|---|----|
| Net Income Approach..... | 16 |
| Net Operating Income Approach | 18 |
| Net Worth..... | 47 |
| Non-banking Financial Institutions..... | 35 |
| Non-financial Performance..... | 46 |

O

| | |
|--------------------------------|--------|
| Optimum Capital Structure..... | 6 |
| Ownership Concentration..... | 38 |
| Ownership Structure | 11, 26 |

P

| | |
|-------------------------------|-----|
| Panel Data..... | 123 |
| Pecking Order Theory..... | 24 |
| Performance | 44 |
| Performance Measurement | 45 |
| Portfolio | 33 |
| Price Earning Ratio | 48 |
| Profit Margin..... | 47 |
| Promoter | 27 |

R

| | |
|---------------------------------|---------|
| Return on Assets..... | 46, 111 |
| Return on Capital Employed..... | 47 |
| Return on Equity..... | 46, 112 |
| Return on Net Worth | 47 |

S

| | |
|--------------------------------------|-----|
| Static Panel Data Analysis..... | 124 |
| Strategic-Alignment Hypothesis | 37 |
| Strategic Performance | 46 |

T

| | |
|----------------------------|---------|
| Trade-off Theory..... | 23 |
| Traditional Approach | 22 |
| Tobin's Q | 48, 112 |

U

| | |
|----------------------|----|
| Underinvestment..... | 52 |
|----------------------|----|

V

| | |
|--------------------------------|-------|
| Variance Inflation Factor..... | 120 |
| Vertical Agency Crisis..... | 7, 41 |
