

ACKNOWLEDGEMENT

The endless thanks go to the God almighty for all the blessings he has showered onto me, which has enabled me to write this last note in my research work. During the period of my research, as in the rest of my life, I have always been blessed by the God with some extraordinary people who have lent their invaluable support to me. Words can never be enough to express how grateful I am to these incredible people in my life that made this thesis possible. I would thank all of them from the core of my heart.

I express my sincere gratitude to my supervisor Dr. Abhisek Chakrabarty, Assistant Professor of the Department of Remote Sensing & GIS, Vidyasagar University. His constant support and care in every phase of the study makes this study achievable. I appreciate all his contributions of ideas, time, and relentless support to make my Ph.D. experience productive and stimulating. Each meeting with him added invaluable aspects to the implementation and broadened my perspective. I would like to thank him for giving me opportunities to attend various trainings and seminars on the course of my research.

I am also thanking to Dr. Jaytisankar Bandhyapadyay (Assistant Professor) and Dr. Dipanwita K. Dutta (H.O.D. and Asst. Professor) of Department of Remote Sensing & GIS Vidyasagar University for their valuable guidance, expert suggestions and deep insight which helped me to focus on the right things from the beginning of the research.

I express my sincere gratitude to the authorities of the Vidyasagar University, for their support by providing the registration and allowing me to carry out this research work in the area of my interest.

I thanks to DSP (HQ) Purulia District [2011], Subrata Sen (ASI, WBAP, Midnapore Sub Division) for granting me to access data of all districts and special processing of data for my research.

I feel immensely indebted to Dr. Purna Brata Hazra (Sr. Scientist), Sanjoy Nag (Sr. Scientist), Aditi Achariya (Sr. Scientist), other personnel of Department of Science and Technology, Govt. of West Bengal as they gave me kind support in my research work.

I am also thankful to the Dr. Biswaranjan Mistri, Assistant Professor, Dept. of Geography University of Burdwan, and Dr. Sebak Jana, Professor, Department of Economics with Rural Development Vidyasagar University for their constant motivation and co-operation for this research activity from time to time.

I am enormously grateful to my colleague at Department of Science and Technology whose constant motivation and scholarly guidance has acted as a major driving force for this research activity.

I am extremely thankful to Subra Prakash Mandal, Sanjit Mahato, Sanjoy Mondal who have contributed during the formatting of the thesis and many other all my respondents in the subject have helped me to completion and execute this research activity.

I am also indebted to my friends Utpal Bakshi, Rajdeep Maity, Deblina Maity (Chakraborty), Anusrita Dutta they have contagious and motivational for me, even during tough times in the Ph.D. pursuit.

Last, but not the least I would like to offer my sincere gratitude to my family members, especially my father Mr. Amiya Bhaya, my mother Mrs. Sandhya Bhaya, my brother Prasanta Bhaya.

I feel highly indebted to those persons who extended me support directly or indirectly in this research. I thanks them all.
