

বিদ্যাসাগর বিশ্ববিদ্যালয়

VIDYASAGAR UNIVERSITY

M.A. Examinations 2020
Semester IV
Subject: POLITICAL SCIENCE
Paper: 402 (OLD)
(Theory)

Full Marks: 40

Time: 2HRS.

Candidates are required to give their answers in their own words as far as practicable.

Answer any one question from following questions:

1. The most deep-rooted forms of inequality, built into the structure of traditional Indian society, are those based on caste and on gender. Elucidate by reflecting on this statement.
2. Differentiate between Local Government and Local Governance.
3. It was Mahbub ul Haq who had come out with an array of empirical findings that proved beyond doubt that 'development' had gone hand in hand with colossal human deprivation in the South Asian region. Critically analyse.
4. Write a note on Green politics.
5. How has globalisation affected the working of local governments?
6. Has local governance eroded the legitimacy of local government? Analyse.
