(Theory)

Full Marks: 40

Time: 2HRS.

Candidates are required to give their answers in their own words as far as practicable.

Paper : 404 (LGP)

Answer any one question from following questions:

1. "The most deep-rooted forms of inequality, built into the structure of traditional Indian society, are those based on caste and on gender". Reflect upon this statement.
2. Differentiate between Local Government and Local Governance.
3. It was Mahbub ul Haq who had come out with an array of empirical findings that proved beyond doubt that 'development' had gone hand in hand with colossal human deprivation in the South Asian region. Critically analyse.
4. Write a note on Sustainable Agriculture.
5. How does privatisation pose a challenge to local governments? Justify your position
6. Has local governance eroded the legitimacy of local government? Analyse.

Paper : 404 (SPSA)

Answer any one question from following questions:

1. Write a critical note on Partha Chatterjee's concept of 'political society'.
2. In which terms 'civil society' can exist in South Asia? Answer briefly.
3. Point out the main problems of NGOs in Bangladesh.
4. How civil society endeavours in early British India have contributed towards the growth of Hindu nationalism? Explain.
5. Explain the political significance of the activities of Navi Yuvak Sangh.
6. Has the Diaspora been a game changer in the post civil war Sri Lanka? Explain.
