

DECLARATION

I, Tripti Nandi (Ghosh), hereby declare that the thesis entitled “**Melissopalynological Investigation in Understanding the Foraging Behaviour of *Apis mellifera* L. used for Apicultural Practices in North 24 Parganas District and Adjoining Areas of West Bengal**” has been done by me for the degree of Doctor of Philosophy (Ph.D.) in Botany under the supervision of Dr. Prakash Karmakar, Assistant Professor, Teacher in Charge of the Department of Botany and Forestry, Vidyasagar University, Paschim Medinipur 721102, West Bengal, India.

This is my original work and at the best of my knowledge and belief the information taken from other sources for the use in preparing this thesis, for essential reasons, have been duly acknowledged.

The thesis has neither been submitted under this university or elsewhere earlier for obtaining any degree or distinction, nor any degree or diploma has been conferred on me before based on this work, either in full or in part.

Tripti Nandi (Ghosh)

Place: Medinipur

Date: March, 2019
