Foremost, I would like to express my sincere gratitude to my parents, who had encouraged my dreams to pursue an academic career against many odds and taught me to think independently.

I express my sincere gratitude to my Supervisor, Professor Anil Kumar Jana, Department of Political Science, Vidyasagar University. My research couldn't be completed without his immense knowledge, guidance, continuous support and advice. His constant effort and cooperation kept me on the right track in finishing this research pursuit. He had always guided me in finding the relevant sources and enlightened me for completion of my thesis. I am highly obliged for his immense patience in going through this work whole heartedly.

Beside my advisor, I also appreciate and acknowledge the encouragement and help given to me from time to time by Prof. Sibaji Pratim Basu, Dean, Faculty Council for Postgraduate Studies in Arts and Commerce and Dr. Sujay Ghosh, Head, Department of Political Science of Vidyasagar University.

I visited the National Library, Kolkata several times. I express my thanks to the authorities and especially staffs of the newspaper section for permitting me to access their materials, newspapers, and archives. I am also thankful to Ganashakti Library, they helped me promptly and their service was excellent. Research Officers and staff of West Bengal Legislative Assembly Library also helped me immensely in searching the relevant sources. They also gave me permission to use their library and archives. I am extremely thankful for their cooperation. I am thankful to departmental colleagues because they sometimes spared me from the departmental workload and cooperated with me in all respect.

This work would have remained unfulfilled without the supportive advice, instruction, and able guidance of my Sister-in-law (*Jamaibabu*) Sanjoy Ghosh, Chinmoy Ghosh, and my sisters Runa Ghosh and Mou Ghosh. Two of my little nephew Sandipan Ghosh and Samornoy Ghosh are constant source of my inspiration. They helped me a lot on the technical aspects of operating the computer, these kids are technologically much more advance than the past generation. All of them had encouraged and motivated me in

completion of my thesis. They might genuinely be called a co-traveller in my life in all senses.

I express my gratefulness to the villagers, panchayat members and various government officials at the BDO office of Singur, Nandigram-I, II Block and the Land Acquisition Office of Hooghly and Purba Midnapore district for providing me necessary information to complete this project.

I also place on record, my sense of gratitude to one and all who, directly or indirectly, have lent their helping hand in this research pursuit.
