

Acknowledgement

I am extremely grateful to my respected supervisor **Prof. (Dr.) Amal Kumar Mondal**, FLS, FIAAT, Professor of Botany, Coordinator UGC-DRS-SAP and DBT-BOOST and **Prof. Nagendra kumar Verma**, former Professor of Botany, Department of Botany and Forestry, Vidyasagar University for this valuable help, suggestion and checking entire them. During the extensive survey several barriers were arose but valuable advice, parent like affection, encouragement as well as experimental strategy help me to overcome the obstruction and going the success.

Deepest gratitude has been expressed to Honourable Vice Chancellor **Prof. Ranjan Chakraborti** and relevant officials along with teachers of Department of Botany and Forestry, Vidyasagar University for providing necessary help and permission during prolonged survey and for allowing me to use the library, Laboratory and other facilities at the University.

I am highly acknowledged to UGC, New Delhi for their financial support in the form of Research Fellow, DRS-SAP-1.

This work was made possible by very kind and understanding approach of honourable Registrar **Dr. J. K. Nandi** who not only allow me to take up this work but also encouraged me constantly providing facilities and concessions as required from time to time. I would like to thanks Dr. Asis kumar Nandi, Dr. Debdulal Banerjee, Mr. Ram Kumar Bhakat, Dr. Prakash Karmakar, Dr. Nilanjana Banerjee and Dr. Gungan Biswas for their most valuable assistance in dealing with different aspects of my study.

My special thanks to Dr. Bhivas Chanda Panda Laboratory Assistance along with Mr. Ratan Mishra and Mr. Goutam Dwari staff of the department and many ex-student who completed

their M.Sc degree under Plant Taxonomy, Biosystematics and Molecular taxonomy Laboratory and Mycorrhizal Biology Laboratory, Department of Botany and Forestry, Vidyasagar University.

I am also grateful to Technical staffs, University Science Instrumentation Centre (USIC) Vidyasagar University and also Indian Institute of Technology (IIT) Khagrapur.

I am also thankful to my brother and sister as well as colleague of this laboratory Dr. Sk Md Abu Imam Saddi, Sanjit Sinha, Debasree Ghosh, Debasis Bhunia, Sayantan Tripathi, Saurav Dwari, Shilpa Dinda, Shibdas Maity, Anup Kumar Bhunia and Ayan Kumar Naskar and other research scholar of my laboratory for constant encouragement and support.

I am grateful to my elders and other family members for the understanding shown and support extended by them from time to time. Great regards and gratitude to my parents whose sacrifice, help, constant encouragement contribute a lot to reach destination and fulfil the target.

I also express my sincere thanks to all of them who have helped me anyway for completion of this research work.

(SOURADUT RAY)
