

## **Acknowledgements**

The thesis is a result of hard work, changing minds, opinions and a good amount of external support. My thesis could not see the light of the day if I did not get help from the following persons.

My sincere thanks, at first, goes to my research supervisor, Professor Braja Gopal Bag who helped me intellectually and physically. His constant encouragement and wise counsel were of immense value to me. It is a great pleasure to work under him.

I express my deep sense of gratitude to ----

- Vice Chancellor of Vidyasagar University for providing various facilities.
- Director, Botanical Survey of India, for permitting me to carry out the research work and for providing various facilities.
- Dr. Tapan Seal, Scientist- C, Botanical Survey of India, for helping me at every stage of research and for good counsel.
- My lab-mates: Chhabi, Nurul, Abir, Subrata, Saikat, Soumen and Subhajit for helping me at every stage of research.
- Mrs. Basundhara Pillai, Botanist, Botanical Survey of India, for constant encouragement and help.
- My wife, in-laws, my sister, my mother for constant encouragement.
