No.		
1.	Showing 4 Sub-divisions and 29 blocks with their Latitude and Longitude.	13
2.	Showing total investigated aquatic and marshy land angiosperms under	29
	different families of the district Paschim Medinipur.	
3.	Showing the total investigated aquatic and marshy land Monocotyledons angiosperms under different families of the district Paschim Medinipur.	30
4.	Showing the total investigated aquatic and marshy land Dicotyledonous angiosperms under different families of the district Paschim Medinipur.	33
5.	Table Show the list of Monocotyledons plant species with their habitats and voucher numbers.	35-37
6.	Table Show the list of Dicotyledonous plant species with their habitats and voucher numbers.	38-39
7.	Total investigated habitats (Life forms) of aquatic and marshy land Monocotyledons Angiosperms under different families of the district Paschim Medinipur.	40
8.	Total investigated habitats (Life forms) of aquatic and marshy land Dicotyledonous angiosperms under different families of the district Paschim Medinipur.	41
9.	Table Show the Density, Frequency (%) and Abundance of aquatic and marshy land Monocotyledons plant species are record from selected area.	42-44
10.	Aquatic and marshy land Monocotyledons Plant species Density of the district Paschim Medinipur (Species no. 1-15 and species arranged in alphabetically).	46
11.	Aquatic and marshy land Monocotyledons Plant species Density of the district Paschim Medinipur (Species no. 16-30 and species arranged in alphabetically).	47
12.	Aquatic and marshy land Monocotyledons Plant species Density of the district Paschim Medinipur (Species no. 31-45 and species are arranged in alphabetically).	48
13.	Aquatic and marshy land Monocotyledons Plant species Density of the district Paschim Medinipur (Species no. 46-60 and species are arranged in alphabetically).	49
14.	Aquatic and marshy land Monocotyledons Plant species Density of the district Paschim Medinipur (Species no. 61-75 and species are arranged in alphabetically).	50

No.         15.         Aquatic and marshy land Monocotyledons Plant species Density of the district Paschim Medinipur (Species no. 76-92) and species arranged in alphabetically).         5           16.         Showing the Frequency % of Aquatic and Marshy land Monocotyledons plant species in the district Paschim Medinipur (Species no. 1-15 and species arranged in alphabetically).         5           17.         Showing the Frequency % of Aquatic and Marshy land Monocotyledons Plant species in the district Paschim Medinipur (Species no. 16-30 and species arranged in alphabetically).         5           18.         Showing the Frequency % of Aquatic and Marshy land Monocotyledons Plant species in the district Paschim Medinipur (Species no. 31-45 and species are arranged in alphabetically).         5           20.         Showing the Frequency of Aquatic and Marshy land Monocotyledons Plant species in the district Paschim Medinipur (Species no. 46-60 and species arranged in alphabetically).         5           21.         Showing the Frequency % of Aquatic and Marshy land Monocotyledons Plant species in the district Paschim Medinipur (Species no. 76-92 and species arranged in alphabetically).         5           22.         Showing the Abundance of Aquatic and Marshy land Monocotyledons Plant species in the district Paschim Medinipur (Species no. 1-15 and species arranged in alphabetically).         5           23.         Showing the Abundance of Aquatic and Marshy land Monocotyledons Plant species in the district Paschim Medinipur (Species no. 31-45 and species arranged in alphabetically).         6           24.
