Sl. No.	B: List of Graphs	Pages
1.	Graph- 1: Graphical representation total investigated aquatic and wetland angiosperms under different families of the District Paschim Medinipur.	29-30
2.	Graph-2: Graphical representation of genus numbers among aquatic and wetland Monocotyledons under different families of the District Paschim Medinipur.	31
3.	Graph-3: Graphical representation of genus numbers (%) among aquatic and wetland Monocotyledons under different families of the District Paschim Medinipur.	31
4.	Graph-4: Graphical representation of Species numbers among aquatic and wetland Monocotyledons under different families of the District Paschim Medinipur.	32
5.	Graph-5: Graphical representation of Species numbers (%) among aquatic and wetland Monocotyledons under different families of the District Paschim Medinipur.	32
6.	Graph-6: Graphical representation of Genus numbers of aquatic and wetland Dicotyledon under different families of the District Paschim Medinipur.	33
7.	Graph-7: Graphical representation of Genus numbers percentage (%) of aquatic and wetland Dicotyledonous under different families of the District Paschim Medinipur.	34
8.	Graph-8: Graphical representation species number of aquatic and wetland Dicotyledonous of the District Paschim Medinipur.	34
9.	Graph 9:-Aquatic and Wetland Dicotyledonous plant species percentage according to their families of the district Paschim Medinipur.	35
10.	Graph-10: Graphical representation of Different aquatic and wetland Monocotyledons Habitats under different families of the District Paschim Medinipur.	40
11.	Graph-11: Graphical representation of different aquatic and wetland Dicotyledons Habitats (Life forms) under different families of the District Paschim Medinipur.	41
12.	Graph-12: Graphical representation of Plant species density of aquatic and wetland Monocotyledons (1-15) of the District Paschim Medinipur.	46
13.	Graph-13: Graphical representation of Plant species density of aquatic and wetland Monocotyledons (16-30) of the District Paschim Medinipur.	47
14.	Graph-14: Graphical representation of Plant species density of aquatic and wetland angiosperms (30-45) of the District Paschim Medinipur.	48
