

List of Tables

Table no 1.1.1-	General observation of Wistar rats on dose selection of arjunolic acid.	37
Table no 1.1.2-	Observation of Lipid Peroxidation End Products of Wistar rats on dose selection of arjunolic acid.	38
Table no 1.2.1-	General observation of Wistar rats on dose selection of vitamin B ₁₂ .	43
Table no 1.2.2-	Observation of Lipid Peroxidation End Products of Wistar rats on dose selection of vitamin B ₁₂ .	43
Table no 2.1-	General observation of Wistar rats on preventive study.	55
Table no 2.2-	Observation of Lipid Peroxidation End Products of Wistar rats on preventive study.	56
Table no 3.1-	General observation of Wistar rats on protective study.	73
Table no 3.2-	Observation of Lipid Peroxidation End Products of Wistar rats on protective study.	74
Table no 4.1-	General observation of Wistar rats on curative study.	95
Table no 4.2-	Observation of Lipid Peroxidation End Products of Wistar rats on curative study.	96
Table no 4.3-	Study of ovarian follicle and uterine diameter of Wistar rats on curative study.	103
